LexisNexis File & Serve Training – California

File & Serve webinar classes are free!

WEEKLY WEBINAR CLASSES – for groups or individuals

CA E-Service Class
This class is recommended for users who will *electronically serve* documents via Lexis Nexis File & Serve but will continue to *file documents in paper*.

Learn to:

- Electronically serve documents in mandatory e-service only cases, i.e. Los Angeles complex cases.
- Access a case's document repository.
- Update the service list.
- Initiate e-service in any complex case, i.e. toxic tort, construction defect or pharmaceutical.

CA E-Filing & E-service Class
This class is designed primarily for users who are required to use File & Serve to *electronically file* documents with the court. The class also is appropriate for users who will use File & Serve for e-service only.

Learn to:

- File and/or serve documents in mandatory e-file jurisdictions, i.e. San Francisco. (Applicable E-filing rules will be covered).
- Electronically serve documents in mandatory e-service only cases, i.e. Los Angeles complex cases.
- Access a case's document repository.
- Initiate e-service in any complex case, i.e. toxic tort, construction defect or pharmaceutical
