

LexisNexis[®] Company Dossier and LexisNexis[®] Industry Dossier

Quickly retrieve and easily analyze the comprehensive, compiled facts you need

Enter one simple search, either a company name or an industry, and receive a thorough report with the current, vital facts about existing and prospective clients, business partners, vendors, competitors and allies, and their associated businesses and industries.

LexisNexis Company Dossier compiles the best intelligence available through the LexisNexis[®] services: past and present litigation, up-to-date news, key business and financial data, and intellectual property details in an easy-to-read report. LexisNexis Industry Dossier puts industries into sharper focus with the latest economic and sales reports, recent mergers, and pending legislation that could affect an industry. These powerful report products can help you:

Strengthen existing client relationships

- Keep one step ahead of changing needs, financial situations, marketplace trends and competitors.
- Track client competitors, their businesses, performance, and litigation.
- Research possible mergers & acquisitions or joint venture prospects.
- Stay updated on industry needs.
- Monitor a client's brand and trademark performance.

Target the right prospective clients

- Identify potential clients, and even retrieve customized prospect lists based on specific criteria (i.e., industry, sales, geographic location, earnings).
- Understand possible firm risks by exploring a prospect's pending litigation and litigation trends—even possible conflicts of interest—before you take the case.
- Prepare on-point presentations before meeting with prospects. The intelligence LexisNexis Company Dossier and LexisNexis Industry Dossier provides, lets you better match your firm's talents with client needs.
- Gain an understanding of a prospective company's brands and trademarks.
- Compare prospects—up to five simultaneously.

You can even improve firm profitability by evaluating vendor performance, reviewing prospective hires and studying the reputations of possible strategic alliances.

Count on powerful insights with LexisNexis Company Dossier

LexisNexis Company Dossier reports cover more than 35 million public, private and international companies, including 20 million non-U.S. companies. To get a company report, just enter the company name or ticker symbol. Each report comes with an easy-to-navigate table of contents.

Link to report sections or even link to source documents that offer details on:

- A.** View a convenient, at-a-glance overview of the company
