

## LexisNexis® Government Periodicals Index

### Academic Libraries

- Significant discounts are *available through consortia*.
- Pricing is determined by your school's Full-Time Equivalent enrollment (FTE) using the five price tiers shown.

\* Please contact your consortium for an exact quote, which may include administrative fees.

Institutional FTE	Institutional Price
1–5,000	\$932
5,001–7,500	\$1,190
7,501–10,000	\$1,449
10,001–15,000	\$1,708
Over 15,001	\$1,967

### Community College Pricing

- Charged at lowest FTE level.

### Law School Pricing

- Include with main campus or order separately using FTE pricing shown.

### Public and State Library Systems

- Pricing per library system is determined by the library system's service area population.
- One price includes all main and branch libraries.

Service Area Population	System Price
100,000 and under	\$1,190
100,001–250,000	\$1,449
250,001–500,000	\$1,708
Over 500,000	\$1,967

### Features

- Provides unlimited, simultaneous, institution-wide access to the service.
- Remote access permitted for institutions with secure patron authentication.
- Includes 24/7, toll-free customer support to all librarians.
