

LexisNexis® Statistical Abstracts & Indexes

LexisNexis Statistical Abstracts & Indexes includes three add-on content modules for the LexisNexis Statistical Base Edition: statistics issued by the Federal government; statistics issued by state, local, and private sources; and statistics issued by international intergovernmental organizations. All prices shown are for *each* module ordered.

Academic Libraries

- Significant discounts are *available through consortia*.*
- LexisNexis Statistical Base Edition has a **minimum billable FTE of 1,500** and a **maximum of 34,000**.
 - If your school has more than 34,000 FTE, your school will only be charged for 34,000 FTE.
 - If your school has less than 1,500 FTE, your school will be charged for 1,500 FTE.

* Please contact your consortium for an exact quote, which may include administrative fees.
