This handbook focuses on the role, duties and powers of a creditors' or interest holders' committee in a Chapter 11 case and presents procedural information to enable such a committee to function effectively. Although the emphasis is on Chapter 11, there is also coverage of the creditors' committee in a Chapter 7 liquidation case and in a nonbankruptcy workout.

Collier Handbook for Trustees and Debtors in Possession

— Irving Sulmeyer, Israel Saperstein, Wesley H. Avery, D. M. Lynn, Michael R. Rochelle, and Sander L. Esserman; Alan N. Resnick and Henry J. Sommer, *Collier* Editors-in-Chief

Two valuable handbooks in one affordable volume provide the expert advice trustees, debtors, and practitioners need to negotiate

the maze of bankruptcy law and procedure. Part 1, the **Handbook for Trustees**, defines the role, powers, rights, and duties of each type of trustee under Chapters 7, 9, 11, 12, and 13 of the Code. It spells out the trustee's terms of employment — including appointment, election, removal, termination, discharge, and compensation — and analyzes problems trustees may encounter in each type of bankruptcy proceeding. It also covers operational considerations and debtor relationships with government agencies, and explains the unique problems facing standing trustees in Chapter 12 and 13 cases.

Part 2, the **Handbook for Debtors in Possession**, leads you through the Chapter 11 process from start to finish. It explains how a debtor in possession functions, spells out the debtor's rights, powers, duties, and responsibilities, and steers you through the proper day-by-day procedures for operating a business in Chapter 11.

This intuitive program puts the power of your personal computer to work and allows you to generate all the forms required to complete filings under Chapters 7, 11, 12, and 13 on behalf of individual, joint, corporate, and partnership debtors. **TopForm** goes beyond the initial filing and prepares the Proof of Claim form as well as

post-petition motions, orders, and notices. It even includes form letters to clients' creditors.
