

CourtLink®

Bankruptcy Solutions

LexisNexis® CourtLink® offers a broad range of solutions to help your firm provide better service and litigation support to your corporate and bankruptcy clients as well as tools to help you grow your bankruptcy practice.

CourtLink® Alerts

CourtLink Alerts provide automatic email notification of newly filed cases to help you keep up-to-date with litigation filings that may impact your practice area and your clients.

- **NEW!**  **Bankruptcy Creditor Alerts** are offered *exclusively* by CourtLink and provide notification when one of your clients or prospects is listed as a creditor by the debtor in a business bankruptcy case. This allows you to quickly notify your client and offer your firm's assistance in representing them in the matter.
- **Bankruptcy Debtor Alerts** provide notification any time a debtor of interest to you has filed for bankruptcy.
- **Bankruptcy Chapter Alerts** notify you of newly filed bankruptcy cases by Chapter.

CourtLink® Search

CourtLink allows you to search a database of federal bankruptcy cases dating back 20 years to locate cases involving key parties of interest to you. Search by debtor, date filed, attorney and/or trustee as well as narrow down your search results by case status, chapter, and whether the 341 meeting is scheduled.

CourtLink® Tracks

CourtLink Tracks provide automatic email notification of new developments in existing bankruptcy cases of interest to you. Plus, with new highlighting enhancements now available for Tracks, you can more easily identify changes that have occurred in the docket since the last time you received a new activity notification.
