

Getting Selected for Publication

Be Sure Your Topic Is Original and Well Supported

A woman with dark hair, wearing a light pink long-sleeved shirt and grey trousers, is sitting on a patterned carpet. She is looking down at a silver laptop in front of her, with her right hand on the keyboard. In her left hand, she holds several white papers, some of which are open and show text. The background is a plain white wall.

Now that you've selected an article topic, your next challenge is to make sure it is both original and supported in the law. LexisNexis® has the resources you need to ensure your topic is unique and your arguments are persuasive, increasing the likelihood of publication.
