SUBJECT INDEX

The following index is a guide to the major subjects of this collection. The first Arabic number refers to the reel, and the Arabic number after the colon refers to the frame number at which a particular subject begins. Hence 3: 0934 directs the researcher to the subject which begins at Frame 0934 of Reel 3. By referring to the Reel Index which comprises the initial section of this guide, the researcher can find the main entry for this subject.

EXPLANATION OF THE DECIMAL
CLASSIFICATION SYSTEM

This class is arranged by countries. The broad political relations of one state with another are indicated by the two country numbers following the Class Number, 6, the smaller number preceding and the greater following the decimal point. The State Department has arranged these records so that country numbers lower than the country number left of the decimal point are not represented.

SUBJECT INDEX

The following index is a guide to the major subjects of this collection. The first Arabic number refers to the reel, and the Arabic number after the colon refers to the frame number at which a particular subject begins. Hence 3: 0934 directs the researcher to the subject which begins at Frame 0934 of Reel 3. By referring to the Reel Index which comprises the initial section of this guide, the researcher can find the main entry for this subject.
