

LexisNexis Total Practice AdvantageTM for California Workers' Compensation

LexisNexis, publisher of California Compensation Cases, the most cited authority with both the Workers' Compensation Appeals Board and the courts, presents LexisNexis Total Practice AdvantageTM for California Workers' Compensation. This new EAMS-Compliant solution is organized around the daily work of California workers' compensation practitioners and can help you increase productivity.

Electronic Adjudication Management System (EAMS) Compatibility

LexisNexis Total Practice Advantage includes the EAMS forms in HotDocs[®] automated format. Using these automated forms, you can fill out official forms, reuse your answers in other forms, and file the completed forms using DWC methods. Entering information through answer files helps reduce the time spent typing in the same information for one client or case multiple times. Each form even comes with an optional, scannable OCR separator sheet. LexisNexis Total Practice Advantage helps you use EAMS today and prepare for tomorrow.

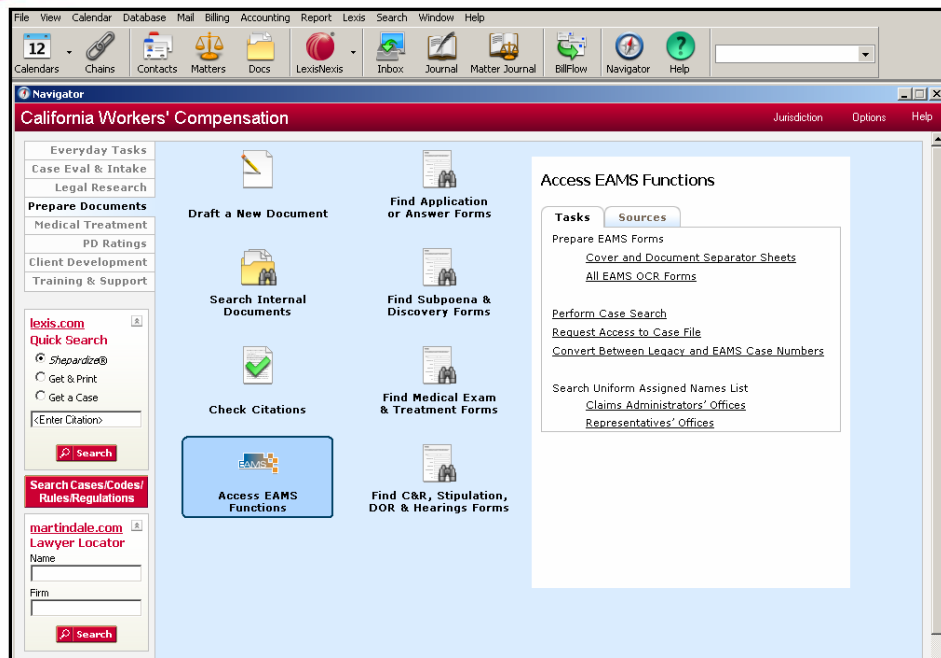

Gain these advantages and more!

- Quickly create and manage documents using LexisNexis automated DWC forms
- Find California Compensation Cases, archived back to 1936, and other Workers' Compensation information faster – California Compensation Cases are written by Workers' Compensation practitioners and guided by an advisory board of esteemed experts
- Organize your firm's work by client and matter
