5 volumes, loose-leaf, with updates, ISBN 9780820510590 \$942

Venture Capital & Private Equity in China

Joseph W. K. Chan

Venture Capital & Private Equity in China covers a range of topics, including a basic introduction to venture capital and private equity opportunities, explanations of various fund formation processes and transactional structures, a roadmap to the regulatory approval process and available exit options.

Why *Venture Capital & Private Equity in China*?

- With the collapse of Western credit markets, China has become a primary source for corporate finance.
- Content explaining relevant laws and regulations in China in English is very rare.
- Written by local expert with a strong understanding of both legal and cultural considerations.

1 volume, softbound, ISBN 9787503679995..... \$395

Collier Consumer Bankruptcy Practice Guide

Alan N. Resnick and Henry J. Sommer, Editors-in-Chief

Collier Consumer Bankruptcy Practice Guide assists you through all phases of a consumer bankruptcy case. From interviewing the client to filing an appeal, this transaction-based practice guide provides detailed discussions and step-by-step analysis of Chapter 7 and Chapter 13 consumer bankruptcy cases.

Use the *Guide* to help:

- Counsel your clients about their bankruptcy options
- Choose the type of bankruptcy offering the greatest advantage to your clients
- Prepare and file the forms, statements and schedules required in bankruptcy cases

1 volume, loose-leaf, updated annually, ISBN 9780820529677 \$295

Banking Law Manual Second Edition: Federal Regulation of Financial Holding Companies, Banks and Thrifts

Professor Patricia A. McCoy

Banking Law Manual Second Edition is a legal reference on the principles of federal banking regulation for banking institutions (including commercial banks, thrift institutions and bank and thrift holding companies.) This publication provides theoretical analysis and real-world insights, as well as a thorough update of the law of federal banking regulation. Topics discussed include: rationales for banking regulation, choices among charters, structure of banking organizations, closure and resolution of failed banks and thrifts, and more

Use *Banking Law Manual* to help you:

- Manage risk. Understanding risk factors and other regulatory controls allow you to implement policies and procedures that effectively manage risk and improve performance.
- Stay compliant. Today's regulators are vigilant in conducting their examinations; don't risk being non-compliant.

1 volume, loose-leaf, with updates, ISBN 9780820510545 \$326

Lender Liability Law and Litigation

This desk reference provides expert guidance for both lender and borrower on the theory and practice of lender liability law. Coverage of both lender liability prevention issues and litigation includes the following topics: excessive control of the borrower's business and how to avoid it; federal tax liability; "bad faith" actions; environmental liability concerns; lender's actions which may give rise to a civil RICO claim; bankruptcy considerations; pretrial litigation issues; and alternative dispute resolution.

Use *Lender Liability Law and Litigation* to help:

- Get on top of all lender liability issues related to subprime lending including activities related to mortgages, credit cards, payday advances and title loans
- Understand the characteristics of the subprime lending market
- Master regulatory guidance requirements targeted at financial depository institution lenders

2 volumes, loose-leaf, with revisions, ISBN 9780820514888 \$326

Consumer Credit: Law Transactions and Forms

National Consumer Law Center, a leading provider of information on legal issues affecting consumers

Consumer Credit Law Manual includes coverage of consumer credit transactions, including: truth in lending, high rate home equity loan protections, consumer leasing, student loans and trade school abuses, fair debt collection, foreclosure defenses, credit repair agencies, and more. *Consumer Credit Law Manual* also includes the *Consumer Credit Law Manual Primary Source Pamphlet*, a separate, softbound volume containing the complete, current text of key statutes and regulations.

Use *Consumer Credit Law Manual* to fully understand all aspects of consumer lending including the latest "headline" topics of:

- Student loan and trade school abuses
- High rate home equity loan protections
- Foreclosure defenses

1 volume, loose-leaf, with updates, ISBN 9780820530451 \$230
