

# LexisNexis® is Number One in News and Business Information

LexisNexis provides one of the most exclusive, authoritative and comprehensive news and business content offerings available to the legal market. Discover and use critical information needed to gain strategic advantages, grow your practice and make more informed business decisions.

## Dig deeper into your research and gain strategic advantages

Turn to LexisNexis news and business resources to *design strategies that win*. Get up-to-the-minute information as well as deep archives that can help you:

- Monitor developments in key areas of your practice
- Follow commentary about pending lawsuits
- Monitor press coverage of upcoming cases
- Learn how judicial decisions from the recent past are playing out in courts and for businesses
- Plan your case strategy by learning about trials, judges, parties, expert witnesses, jury awards and settlements in the news

## Get the most complete picture of your clients, top prospects and issues that impact them

Use news and business information as a *roadmap for growing your practice*. Look to the latest headlines and check out the extensive archives so you can confidently:

- Track clients, prospective clients, and their industries
- Access breaking legal news and gain insight on stories that might impact your clients
- Build stronger, more profitable client relationships
- Discover new areas to expand your practice

## Make more informed business decisions

Use news and business information to:

- Locate available office space
- Evaluate possible mergers or expansions
- Conduct background and conflict checking on new hires
- Stay abreast of economic forecasts
- Manage your stock portfolio

## LexisNexis lets you choose the News & Business offering that works best for your practice

LexisNexis is the only online provider to offer the legal market a premier combination of news and business giants including:

Dow Jones®  
Reuters®  
Barron's®  
*The Wall Street Journal*®  
*The New York Times*®

LexisNexis also provides access to hundreds of regional and local news publications—from the *Anchorage Daily News* to the *Village Voice* and hundreds of news sources in between. You'll even find regional and state legal journals.

For even better research results, augment your news library with company information, including company profiles and analyst reports. Track public and private companies. Get details on company executives and business partners. Monitor mergers and acquisitions, bankruptcies and more.

resources can benefit your practice.

### No other online source of news and business information can offer legal practitioners more!

The LexisNexis services at *lexis.com*<sup>®</sup> offer more news and business information than Westlaw<sup>®</sup>, and many **exclusive** news and business resources and ease-of-use features that save valuable research time.

For example:

The LexisNexis Services Offer* You:	On Westlaw You Get:*
20,000 news sources—from local to international, from general news to niche trades.	9,000 fewer sources. <i>That's 45% less.</i>
The top 100 daily U.S. newspapers in full text. No exceptions.	92. Westlaw does not offer full-text coverage of eight top newspapers.
200 wire services that monitor life and business in large and small communities worldwide.	About 150 wire services: less coverage, more chance to miss vital facts.
Broad group sources where you can research a world of resources simultaneously.	Smaller news group resources. The largest offers 3,100 fewer sources than comparable LexisNexis news groups.

And all the news and business sources you select are available from a **newly designed News & Business tab on the *lexis.com* menu screen**. Now it's even easier to choose the LexisNexis news sources you use most often and gain direct access to the key legal content.

### There's More! Get Exclusive Access to *The Wall Street Journal Online*<sup>†</sup>

Legal professionals who subscribe to *The Wall Street Journal Online* in association with LexisNexis get the daily edition of WSJ delivered to their desktop—more than 1,000 stories a day prepared by the best writers in the business. Then link *directly* to the full power of the LexisNexis services for more in-depth research. Plus count on:

- **Constantly updated daily news** as it unfolds. Moments after news is released, it's at your desk.
- **Unique interactive storytelling graphics and special reports** to help you understand the big stories better.
- A special Legal page on *www.wsj.com* that tracks the industry and its happenings. You always have relevant practice information at your fingertips.
- **Easy switching from WSJ to the LexisNexis services**—so you can dig deeper with access to in-depth legal, news, business and public records content from the LexisNexis services.

<sup>†</sup>LexisNexis is the exclusive provider of *The Wall Street Journal Online* on a firm-wide subscription basis to the legal market. Subscription available to firms sized five or more attorneys.
