

# Get details on 220,000+ Expert Witnesses ...

No time to research? No worries!  
We'll search for you ...

LexisNexis® Full-Service Expert Witness Search powered by IDEX® taps into the largest collection of expert witness information available—*far more than any other online provider!*

It's your best option for sizing up experts' credentials and credibility as you develop and refine your case strategy. And there's no larger reference bank when you're looking to find the right experts or to prep your own before deposition or trial.

Even better, **we search for you, so you can be confident** you have all the relevant details—culled from more than one million revealing documents. Get much more than résumés and authored articles, including documents not available publicly such as:

- jury awards,
- settlement amounts,
- depositions,
- full-text testimony transcripts,
- Daubert challenges, and more.

We can even help you attempt to identify opposing experts when you don't have a name.

*"Another source I had been using  
had 4 references on this person,  
IDEX had 40!"*
