Webinar: QuickBooks vs. Legal Industry Accounting Software

Date: Wednesday, December 16, 2009

Time: 2:00 – 3:00 P.M. EST

CLE Credit Available*

During the presentation, Caren will review time tracking, billing, fee allocations, expense management, reporting (e.g., client ledger, attorney time, case), trust accounting and security requirements within the legal industry and how those topics are addressed by general purpose and industry-specific accounting systems.

The presentation will explain how PCLaw™ users can provide closing and tax information to their accounting professionals in QuickBooks format as well as highlight the firm-wide case management functions—calendar, contacts/clients, document repository, notes/research, phone and e-mail communications, tasks/events, deadlines, conflict checking, etc.—included in PCLaw.
