Special Offer!
Details Inside

In a Time of Crisis, get the Latest
Tax Analysis and Financial Guidance
from the Sources You Can Trust.

Intense legislative activity spurred by the economic crisis has brought sweeping changes to real estate, securities, and banking—and now more than ever you need the best resources available to help make sense of them all.

For that, look no further than LexisNexis® Matthew Bender®.

From answering your fundamental tax and accounting questions to providing strategic guidance for the course ahead, these four treatises put the most current and definitive banking, securities, and real estate tax law analysis at your fingertips.

You'll get full guidance on all new changes—from the *Homeowner Affordability and Stability Plan* to the *Troubled Assets Relief Program* and other relevant provisions of the *Emergency Economic Stabilization Act of 2008*—along with sophisticated tax planning and accounting strategies to make the most of them.

And as upcoming developments bring even more complexity to your job, you'll be kept in-the-know with incisive updates written by preeminent experts in the field.

With far-reaching changes already in place and more in the works, keeping up with all the emerging tax and accounting consequences is serious business. Keep your knowledge and skills at the cutting edge with the best tools of the trade.

Tax Law Treatises from Matthew Bender®

Federal Taxes Affecting Real Estate

Thomas V. Glynn, revision author; Gerald Paulukonis, upkeep author

Complete with a detailed discussion of the recently announced *Homeowner Affordability and Stability Plan*, this treatise provides all the guidance you need to handle the tax ramifications of every type of real estate transaction. You get full coverage that includes:

- Guidance on sales, leases, subdivision and development, MACRS, like-kind exchanges, PAL and at-risk rules, involuntary exchanges, financing, REITs, RICs, and more
- Examples showing how to perform complex tax calculations and apply tax rules and principles in everyday practice
- Strategic input on the tax benefits and tax consequences of real estate investments
- More than 100 model forms and agreements for all types of transactions, bolstered by practice checklists that walk you through even the most complex transactions
- Tax planning tips, personal commentaries on the law, and caveats to help you move cautiously in the times ahead

~~\$421~~ **\$336.80** S

2 volumes, loose-leaf, updated twice per year, Pub. #00285, ISBN 9780820512853
Prior year's renewal price estimate: \$340

Taxation of Securities Transactions

Martin L. Fried, with current updates by Andrew W. Singer

Updated with a full analysis of applicable TARP provisions, this two-volume text details the tax impact of all individual and corporate transactions involving stocks and bonds, stock options, puts and calls, short sales, mutual funds, and corporate and government bonds. Reflecting the latest developments in the Internal Revenue Code, Treasury Regulations, case law and IRS rulings, this two-volume practice guide includes:

- Valuable insights into complicated legislation pertaining to development and changes in the taxation of securities
- A chapter-by-chapter analysis of how various corporate security transactions are taxed
- Scores of examples and complex calculations explaining the most difficult concepts
- Coverage of the distribution of securities to estate or trust beneficiaries, and the taxation of foreign securities and foreign shareholders
- Tax planning tips and expert commentaries to help you steer clear of potential problems

~~\$475~~ **\$380** S

2 volumes, loose-leaf, updated twice per year, Pub. #00729, ISBN 9780820517292
Prior year's renewal price estimate: \$401

Taxation of Financial Institutions

KPMG LLP; David Altman, upkeep author

Featuring a detailed look at relevant new provisions adopted by the *Emergency Economic Stabilization Act of 2008* and packed with time-saving examples and tax planning ideas, this three-volume set keeps you on top of the rapidly changing area of financial institution taxation.

The treatise covers every tax aspect that affects financial institutions, focusing on the complex tax rules that apply to banks and thrifts. You get detailed analyses of the typical day-to-day transactions and their impact on the tax return process, plus:

- Matters that fall outside garden-variety bank operations such as tax issues faced by banks that operate as securities dealers or as S corporations
- Integrated original source material, including IRC sections and accompanying Treasury Regulations, IRS Revenue Rulings, Revenue Procedures, and Letter Rulings
- Information on tax laws, regulations and service rules, as well as guidance from the top professionals in the field
- Numerous sample returns, computational examples, and tax planning strategies

~~\$1,144~~ **\$915.20** S

3 volumes, loose-leaf, updated twice per year, Pub. #00752, ISBN 9780820517520
Prior year's renewal price estimate: \$857
Also available at lexis.com®

Accounting for Banks

James M. Koltveit, with current updates by Donald Resseguie

Updated to reflect the latest developments related to loan underwriting policy and procedure, **Accounting for Banks** provides the straightforward expertise necessary to guide accounting and banking professionals through the complex rules unique to banks and financial institutions.

You get a detailed overview encompassing financial statement analysis, accounting and reporting, and auditing, followed by:

- Detailed treatment of accounting controls and reporting in chapters corresponding to major financial statement categories
- Bank audit objectives and procedures, including a sample internal audit program and other ready-to-use tools
- Information on bank holding companies, bank employee stock ownership plans, and directors' examinations
- Coverage of applicable Sarbanes-Oxley provisions carefully woven into all relevant discussions
- Updated material on minimum loan underwriting procedures involving loan authority, aggregate loan and commitment limits, financial performance standards, and other key matters
- Examples, practice aids, and illustrations throughout

~~\$385~~ **\$308** S

1 volume, loose-leaf, updated twice per year, Pub. #00023, ISBN 9780820510231
