

The Best Resources for Tracking Legislation and Regulations? Legislative Impact® and Regulatory Impact® at *lexis.com*®

Here's Why:

Save countless research hours and get better legislative and regulatory intelligence. You can't find Legislative Impact® and Regulatory Impact® anywhere but *lexis.com*®—not the effective browsing tools, not the Alerts that keep you informed. With these resources, you can:

✓ Retrieve **Real-Time Analysis**.

Legislative Impact and Regulatory Impact create your report at the moment you request it, using continually updated information from the latest bills and resolutions. You never have to wait for documents to be updated.

✓ Cover Your Bases with **All Available Affecting Legislation or Regulations**.

Count on complete coverage ... federal and 50 states ... legislation and regulations. And one search does the work for you, compiling and analyzing all available affecting language on the criteria you set. No multiple sources. No guesswork.

✓ Research Without **Selecting Sources or Search Logic**.

Just select a jurisdiction and the specific search form you need displays automatically. No guessing the citation format. Or you can select from a Public Law, title, agency or date range.

✓ Request **Impact Reports Based on What You Need**.

Start from the bill language and link directly to the impact report. Or begin with the code and see the impact tracking forward. Even begin with the Public Law and see it both ways, i.e., amendments it created as well as amending language since.

Plus you can track legislative impact by specific practice area, title or act. Monitor regulatory changes by agency or title.

✓ Zero in on **Just the Information You Need—in the Format You Want**.

Sort your results tables to make the details you really need rise to the surface. For example, see proposed changes organized by section or amending action. Then link directly to the internal pages of long documents—right to the amending language. New language is highlighted in blue. Save the electronic text and/or PDF of your results. **All of the browsing, sorting and display tools available are exclusive to lexis.com.**

✓ Stay **Updated Automatically**.

Set up an Alert and track by agency, title, section or act. Get online and/or e-mail alerts daily—or as the amendments occur. **No other online providers offer these Impact Alerts.**

Use Legislative Impact and Regulatory Impact at *lexis.com*[®] to:

Research by Area of Law or Title

No matter what area of law you practice, find relevant legislative or regulatory activity quickly and easily. And set an Alert to stay updated. For example:

- 1) Select Legislative Impact (Federal Reports)
- 2) Click **U.S. Code** and select a **Title**, e.g., 26 – Internal Revenue Code
- 3) Click **Find**.

See all legislation that may impact your practice for the last six months. Need more? You can adjust the time frame on your report. Or re-sort to see amendments by bill number, section or amending instruction. Click **Save as Alert** to repeat your search automatically.

Research by Agency—Federal or State

Need to monitor a governmental agency that impacts your work?

- 1) Select Regulatory Impact (Federal Reports or State Reports)
- 2) Choose a **state**. A list of state agencies displays. Select one. (For **federal** reports, **browse** and choose an agency.)
- 3) Click **Find**.

Receive a report of all available proposed and final regulatory actions. Link easily to the text of the proposal or the regulatory code itself. Click **Save as Alert** to schedule an update.

Request an Impact Report During Your *lexis.com* Research

Looking at a bill, U.S. Public Law, statute, regulation, *Federal Register* notice, etc.? Just click the **Retrieve Legislative Impact** or **Retrieve Regulatory Impact** link at the top of the document. Easy!
