ady to import paper documents and further rrow down non-responsive data? oose the Send To LAW button.

Processing: LAW PreDiscovery[™]

LAW PreDiscovery[™] Electronic Discovery Loader automatically opens. The user can now configure settings and start culling down data to find responsive ESI.

Processing Document Review: LAW PreDiscovery[™] Concordance[®]

Time to start reviewing documents?

Export relevant documents to Concordance[®] discovery management software by simply choosing Tools, Export Utility. Concordance software automatically opens.

Document Review: Concordance®

Start reviewing documents and search, tag, redact or redline. *Found a relevant fact?* Send to CaseMap[®] fact- and issue-management software.

Document Review: Concordance®

When reviewing, *have you found a relevant document?* Right click and Send to CaseMap. Or send all records to CaseMap software with the Bulk Send To CaseMap Wizard.
