

LexisNexis® Litigation Profile Suite

A complete portrait in a single search:
Expert Witnesses • Judges • Attorneys

Comprehensive case-making information about experts, your opposition, even judges—all in one place.

LexisNexis® Litigation Profile Suite is more than a collection of information—it's a whole new approach to gathering the critical intelligence and analysis you need to gain deeper insights into how an expert, judge or attorney will impact your case.

Within minutes, you can search through volumes of data to uncover and assess relevant, detailed information on key parties—all from one source. Litigation Profile Suite pulls it all together revealing a dynamic, graphical snapshot of past performance and patterns of behavior that can strategically influence your case. At any time, you can also go deep by drilling down into individual documents. Plus, it's easy to share the information by creating custom reports in seconds.

Get revealing, hard-to-find intelligence—all in just few clicks.

- Information on more than 320,000 experts
- The largest collection of verdicts & settlements documents—over 70 percent more than the leading competitors

“I would not have thought it was possible to gather this much information about experts, including motions and pleadings, settlement and verdict information, transcripts, vita, etc., in one place.”

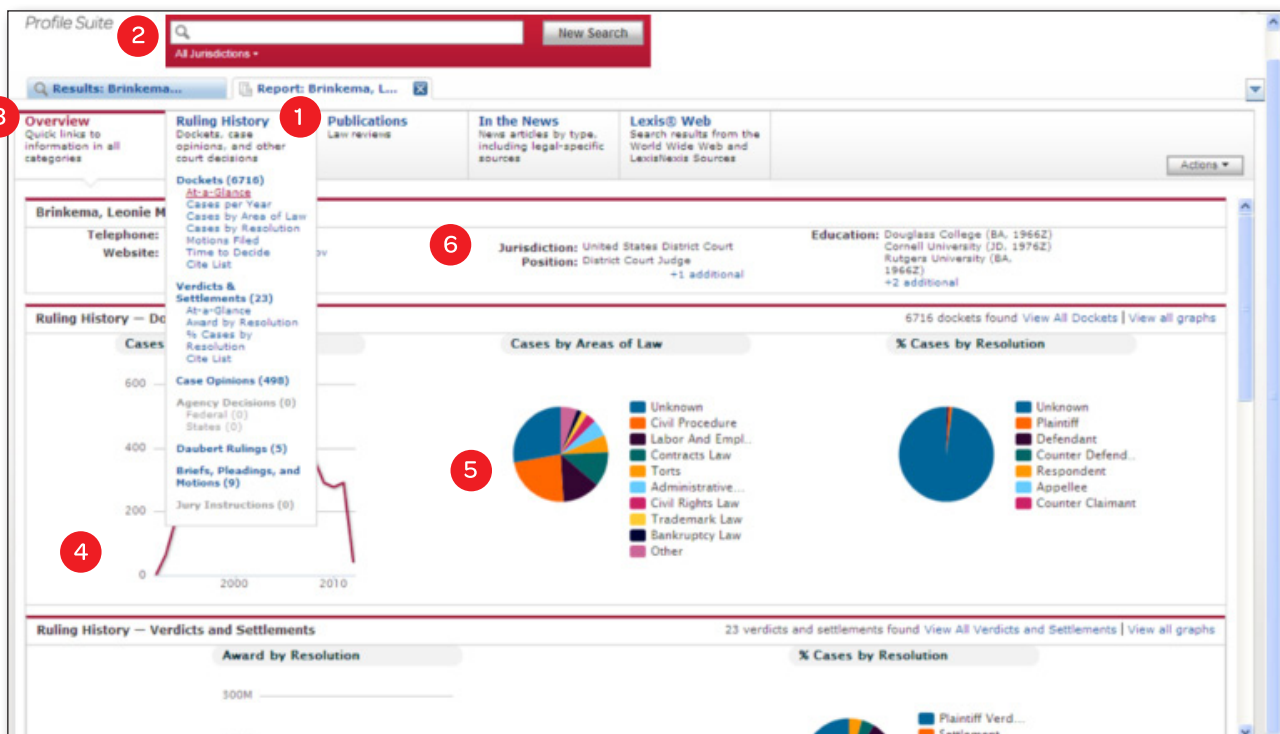

—AmLaw 200® Defense Attorney

Expert Witness Profile: Evaluate their credibility to help sharpen your case strategy.

Uncover their strengths and weaknesses as quickly and thoroughly as possible by accessing the largest, most comprehensive collection of published and unpublished expert witness information available anywhere. You'll discover valuable intelligence, such as prior, contradictory statements; challenges to testimony and inconsistent or fudged credentials.

Judge Profile: Determine the best way to present your case.

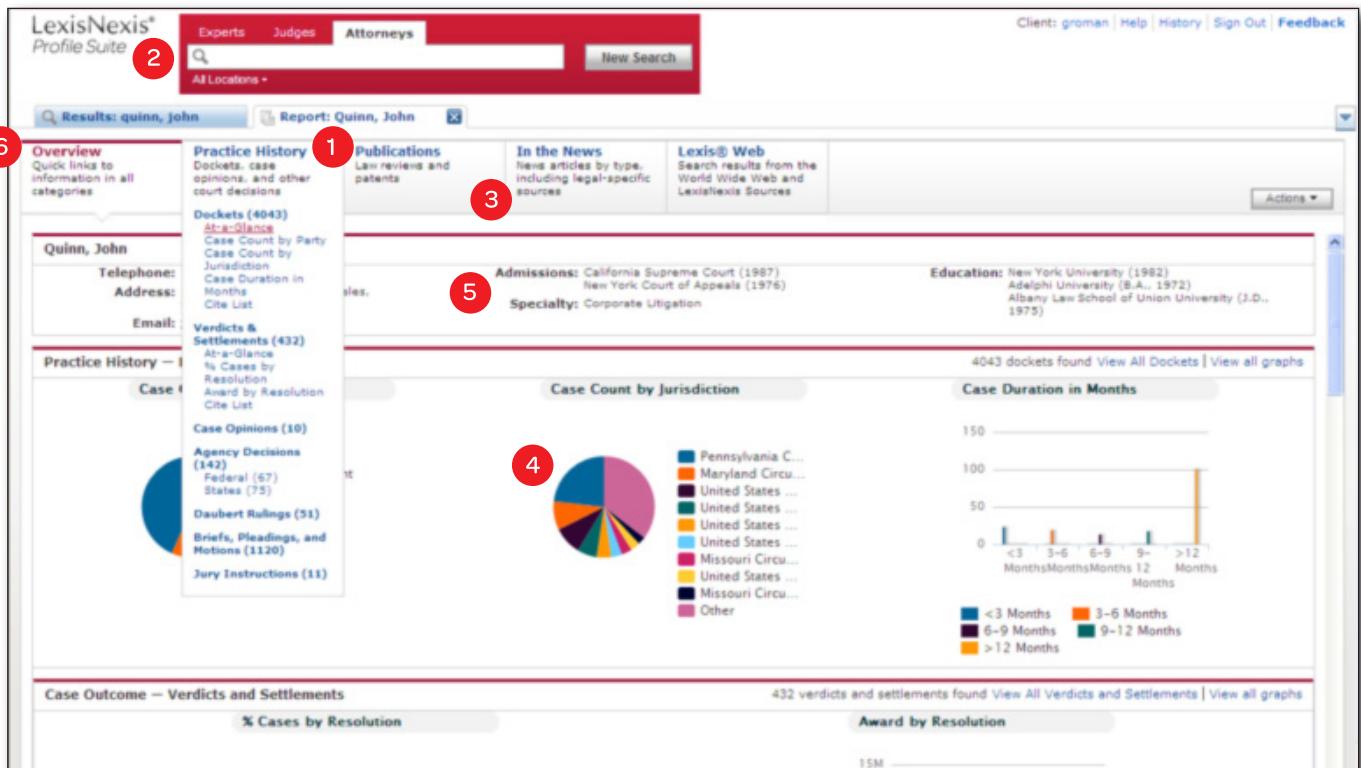

Because of the critical role judges play in litigation, gaining an understanding of their past ruling tendencies and experience in a particular area of law can play an important part in determining your strategy. The Judge Profile draws upon courtroom records, the news and many other resources to give you an in-depth picture that includes authored works, personal interests and much more.
