

# Lexis Advance™

## More comprehensive for core legal research.

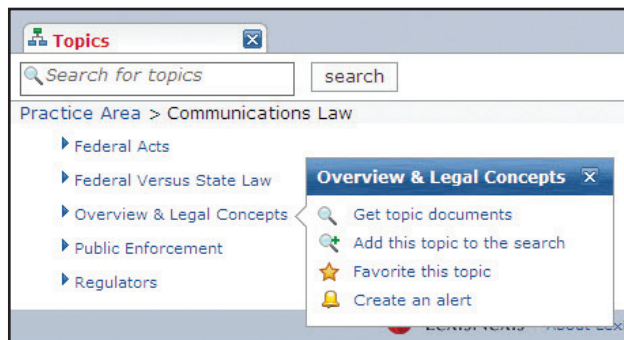

### Faster, Targeted Searching with Flexible Search Options

Search across all content or select specific sources or topics.

- Save time with “favorite” sources and create customized pre-search filters to reuse.

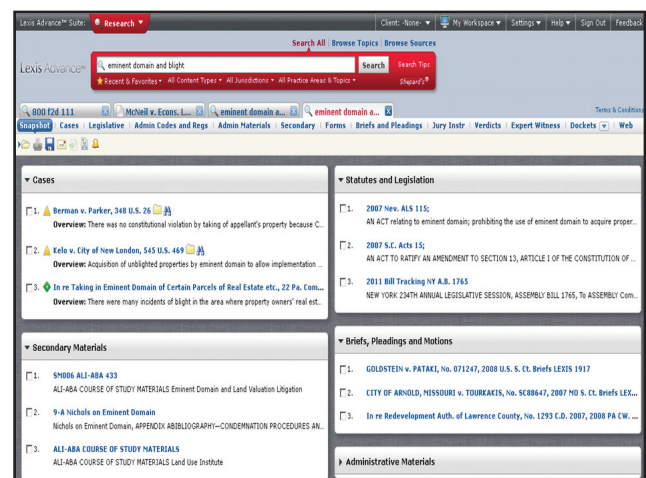

### Stay Current on Targeted Legal Topics with Alerts

- Get to your topic quickly by browsing the topic hierarchy or searching for specific topics.
- Use Topic Alerts to stay current as new or modified documents associated with a legal topic become available on Lexis Advance™.

### Review Results More Efficiently with Additional New Features

- Lexis Advance **Snapshot** view allows you to easily see the top results from a query across all content types in a single view.
- Refine search results using a variety of **new filters** including by Published and Unpublished decisions.
- **Expanded Topic Summaries** provide an overview of key legal concepts with links to top documents in the area.
- **New preference settings** provide a greater variety of content display and delivery functions.
- **Binoculars icon** indicates you have accessed the document in the past 30 days.

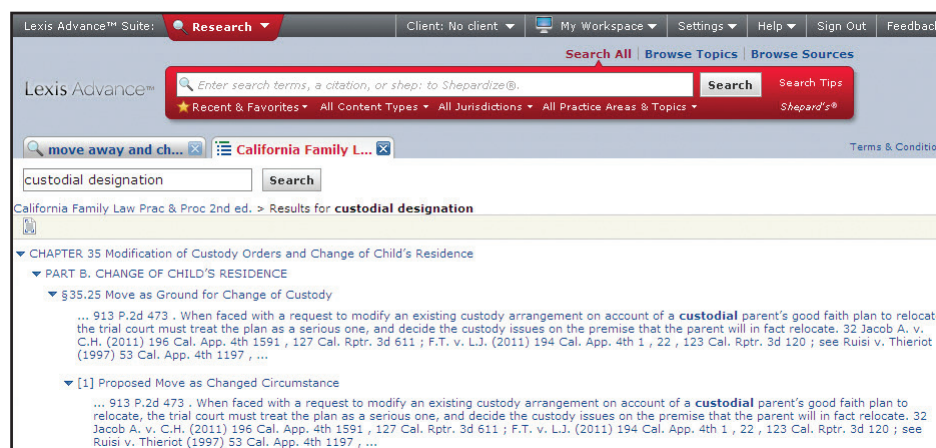

# Lexis Advance™

## Get Specific: Search Underlying Documents when Viewing the Table of Contents

It's easier to find the most relevant information by browsing and searching the Table of Contents.

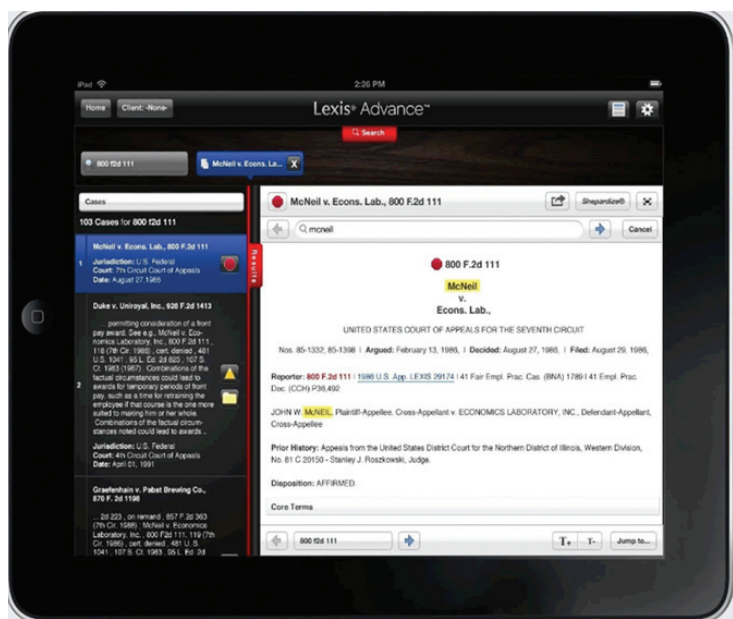

- Search underlying documents when viewing the Table of Contents of a title or statute.
- Quickly find a very specific section.
- Print relevant Table of Contents views using the browser print functionality.

## New Content for Core Research

- *American Jurisprudence 2d*
- State Jurisprudences for California, Florida, Michigan, New York, Ohio and Texas
- Witkin Publications
- Restatements of the Law
- Plus International Treatises, Martindale-Hubbell® listings, Legal News publications and more

## Work On-The-Go with the Expanded Mobility You Asked For
