Expanded federal legislative and regulatory historical documents collection now available!

You rely on LexisNexis® for access to a wealth of current and historical legislative and regulatory resources organized in one place at *lexis.com*®. That's why we're continually striving to expand and improve our content offerings. Now, we're pleased to announce that our federal historical documents collection is better than ever, offering a greater breadth and depth of content and coverage to aid your research. Easily access robust new collections and browse over 200 years of legislative and regulatory documents—with some content only available to the legal market via LexisNexis.

U.S. Serial Set Digital Collection 1789 to present—now available

Find this set and the American State Papers now at *lexis.com*. Access searchable full-text PDFs of all House and Senate documents and reports—and more. Compiled under the direction of Congress, this collection offers an unrivaled depth and breadth of coverage and includes:

- Congressional journals, administrative reports and directories
- Congressional reports on legislation considered during each Congress
- And many more Congressional and Executive Branch documents

Congressional Record—now complete

Access the official record of the proceedings of the U.S. Congress online—including floor debates and speeches, notice of bills introduced, conference committee reports and much more. This comprehensive collection spans more than 200 years of Congressional action and now encompasses:

- Annals of Congress: 1789 – 1824
- Register of Debates: 1824 – 1837
- Congressional Globe: 1833 – 1873
- Congressional Record: 1873 – 1997 & 1985 to present

Congressional Hearings—a deeper archive

Find published Congressional Hearings from both houses of Congress from 1824 to present online. These official publications are available in searchable full-text PDFs and include:

- Written and oral witness statements
- Transcripts of the verbal session between the committee and witnesses
- Reports, exhibits, correspondence—and more!

Federal Register Archives—widely expanded

Now you can access more editions of the *Federal Register* at *lexis.com*—from the first printing in March 1936 to the present. Many documents are searchable and include summaries. Find these editions now:

- 1936 – 1980: searchable PDFs
- 1980 – 2010: fully searchable text
- October 2009 to present: full-text searchable and official GPO PDFs

Code of Federal Regulations Case Notes—newly annotated

The *Code of Federal Regulations* (CFR) is now annotated with decisions from over 200 different courts from 1964 to present, as well as references to secondary source materials.

Get to all this valuable content faster! Use the *Legislative & Regulatory Resources* subtab at *lexis.com*

This newly created page offers a centralized point for all your legislative and regulatory research, including current bills, laws and regulations, historical references and news sources.

Add the Legislative & Regulatory Resources subtab in four easy steps:

1. Sign on to *lexis.com* with your ID and password, then click **Add/Edit Subtabs** under Search,
2. Scroll down to Practice Areas and check the box for Legislative and Regulatory Resources, then click the **Next** button.
3. Click the **Set** button to add this subtab to your Search tab.
4. You're done! Now simply click your **Legislative and Regulatory Resources** subtab to access a comprehensive collection of resources tailored to your needs—all in one place.

To learn more about the many advantages of these new resources, contact your LexisNexis® account representative or call **1-866-281-1801**.
