Know first and act first

In today's competitive environment, it's essential to grow your client base while also protecting your existing business by being first to inform clients of new litigation.

Use CourtLink Alerts and Tracks to receive comprehensive, flexible notification of new and ongoing case developments based on your criteria and areas of interest—even when you're on the go—and stay abreast of developments impacting your practice.

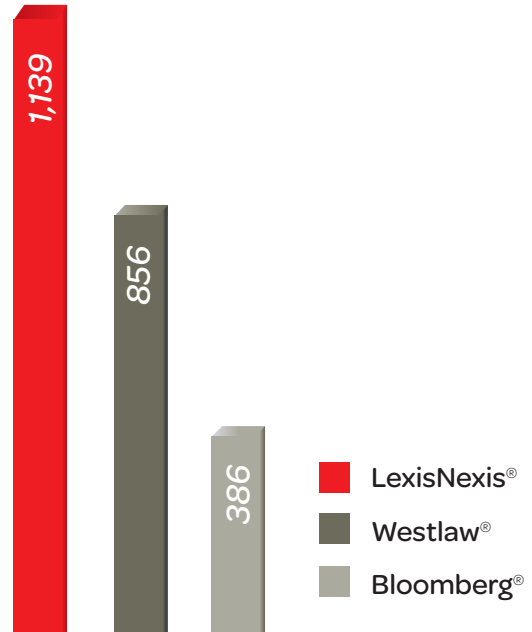

Win new business opportunities: Only CourtLink offers hourly Alerts for U.S. District Courts (civil) with keyword searching of the complaint document. Bloomberg® and Westlaw® do not offer this feature.

Provide exceptional client service with timely notification: Only CourtLink provides hourly Tracks for U.S. District Courts (civil). Bloomberg and Westlaw do not offer hourly track notification.

Be in the know ... wherever you go: The CourtLink mobile app allows iPhone®, iPad® and Android™ users to monitor docket Alerts and Tracks on the go. Bloomberg and Westlaw do not offer mobile apps that monitor docket activity.

Streamline your work: Only CourtLink New Event Alerts notify you of proceedings or documents being filed in cases of interest without having to track a specific docket—Westlaw and Bloomberg do not offer this functionality.

Be confident with access to the largest collection of court dockets

CourtLink offers full-docket coverage of 1,139 state courts. Westlaw only offers full-docket coverage of 856 state courts. Bloomberg only offers full-docket coverage of 386 state courts.

The CourtLink service connects you to jurisdictions nearby and across the country

CourtLink offers access to 1,139 state courts, compared to Westlaw, which only offers 1,023, and Bloomberg, which offers about 553 state courts.
