## **“Building Supplier Intelligence without Tears or a Lot of Budget to Better Manage Supply Chain Risk” Webinar**

Tuesday, April 16, 2 – 2:45 P.M. ET

The modern procurement executive is faced with a variety of challenges, from the top-down directive to drive cost savings to the overarching pressures of supply risk. As a result, the business (from all sides) is demanding more and more insight at what feels like an exponential rate.

Join us for an exclusive Webinar featuring Azul Partners Chief Research Officer of Spend Matters, Pierre Mitchell and Director of Product Planning at LexisNexis Dihan Rosenberg as they share proven tactics to build supplier intelligence on a budget and properly prepare for supply risk.

In addition, you will learn about an emerging business information tool available to supply management professionals that can help you closely monitor thousands of suppliers and create an 'early warning' system for potential supplier risks that could cause business disruption, legal consequences or damages to you brand.

## **“Mobile Considerations for Law Libraries” Webinar**

Tuesday, April 16, 2 – 3 P.M. ET or Wednesday, April 17, NOON – 1 P.M. ET

Library maintenance costs grow exponentially every year while budgets decrease. Despite this, organizations still need fast and flexible access to the library's resources to stay competitive. Attorneys need access to their law library at home, on the go, and in the courtroom.

LexisNexis® has joined with OverDrive®, the leading provider of eBooks in the U.S. to create LexisNexis® Digital Library. This new platform meets the needs and challenges law libraries face today—equipping them to evolve with digital content. Join us for a free Webinar to discuss the basics of eBooks and view a demo of the new eLending solution. Two Webinar sessions are available for your convenience, simply choose the session that best fits your schedule.

Designed specifically for law libraries, LexisNexis Digital Library addresses your library's need to:

- Reduce library costs and extend your budget
- Increase research productivity and effectiveness
- Enable access to the law library 24/7 from any device
- Support your organization's mobile strategy

This new solution gives researchers around-the-clock access to the library on their mobile device of choice. Plus, eBooks combine the benefits of a physical book with online functionality such as keyword search. Don't miss this opportunity to hear about important mobile considerations for law librarians and practitioners as more law libraries face the challenges and complexities of "going mobile."

### **Proven platform**

Powering 22,000 library and school partners worldwide with more than 70 million check-outs, the OverDrive lending platform is time tested. With unrivaled device compatibility, 24/7 platform support, and no additional hardware required, you'll leverage the experience of the world's leading digital lending provider while also benefiting from the vast collection of more than 1,770 LexisNexis® eBooks.

### **See for yourself**

See how you can move your organization's law library to digital content with a flexible, proven eBook lending solution. Sign up now for one of our free Webinar sessions on "Mobile Considerations for Law Libraries."

### **LexisNexis Acquires RSA's Consumer Knowledge Based Authentication Technology to Drive Innovation in Identity Management**

LexisNexis® Risk Solutions announced the acquisition of RSA Security's consumer Knowledge Based Authentication (KBA) technology to drive further innovation in LexisNexis identity proofing solutions and strengthen its leadership position in the identity management and fraud sector.

"This investment demonstrates our commitment to provide—and continuously improve—our capabilities in identity management to help our customers make the right decisions and fight fraud, while protecting their customers from identity theft," said Dennis Becker, Vice President, Identity Management, LexisNexis Risk Solutions.
