

New News & Business Databases and Information Updates for the LexisNexis® Online Services

December 2012

Highlights

We end the year on a truly global note. We have added a substantial number of *News Bites* titles that cover the global financial markets of the MENA region, Nordic region, Africa and Europe. These publications are designed for the sell-side and buy-side of the securities markets, retail brokers, banks, accounting, legal and corporate advisory firms, and provide reliable, round-the-clock monitoring. There are some important new additions for the Asia/Pacific region including *Nepali Times* and *Philippines News Agency*. Find a collection of new German language publications including *Handelsblatt*, a highly-regarded financial newspaper. Last, take a look at *3BL Media*—a unique newswire that provides news and opinion about corporate social responsibility and “triple bottom line” reporting.

The titles below are **linked** to their entry in the [Searchable Directory of Online Sources](#). Click to learn more about each title.

Global

[B2B Live from 1Stop Data](#) provides information on the world's leading public and private companies and their executives. Company profiles include contact information for top executives from a database that is continually updated by a team of UK researchers.

The **News Bites** publications provide coverage of global financial markets of the MENA region, Nordic region, Africa and Europe. Designed for the sell-side and buy-side of the securities markets, retail brokers, banks, accounting, legal and corporate advisory firms, these reports provide reliable, round-the-clock monitoring. Content is combined with trading data from North American and global stock, commodity and financial markets to provide customers with value-added analysis and a broad range of investment tools.
