

News & Business Content Bulletin

April 2013

USA

PUBLISHER: Maplight
PUBLICATION NAME: Maplight

MapLight is a nonpartisan research organization that reveals money's influence on politics in the U.S. Congress. MapLight's bill support and opposition reports record positions taken by specific companies and organizations on key bills in Congress. Bills relate to topics including business and commerce, government operations and politics, budget, spending, taxes, crime and law enforcement, economics and public finance and 39 other topics. Support and opposition information is based on public documents, including Congressional testimony, news reports, and company statements. Coverage is from the 110th Congress – Current Congress, data is uploaded 24 hours after receiving it.
