

This is increasing book inventory  
in a finite library space.

This is easier access for your patrons—  
and more breathing room for you.

## This is LexisNexis® Digital Library

Now your law library patrons can access the full complement  
of legal titles they rely on anytime, anywhere from their  
computer or preferred mobile device.

Best of all, eBooks are easy to store, share and update—  
and require no additional staff or space requirements to  
ensure your patrons receive the titles they need.

Anytime, anywhere access, on any device

Your library, reimagined  
for the digital world.

LexisNexis® has joined with OverDrive®, the leading provider of eBooks in the U.S., to create LexisNexis® Digital Library. This platform provides a flexible, proven eBook lending solution that reduces the total cost of library ownership, extends library budgets, increases productivity and effectiveness, and enables access to the organization's law library anywhere, anytime from any device.

#### Reduce your library costs and extend the budget.

With LexisNexis® Digital Library, overhead and administrative costs for maintaining a print library are reduced dramatically. Adopt an easy-to-use platform that requires minimal staff resources so your organization can make the most out of your library budget.

#### Empower your librarians.

Your firm's librarians will have more time to conduct value-added research. They'll have greater insight into what resources the staff actually uses so they can make adjustments to the collection quickly using a single website.

#### Increase anytime, anywhere productivity.

Give researchers around-the-clock access to the library wherever they need it on their device of choice. Combine the benefits of a physical book with online functionality—understand the big picture when investigating an unfamiliar topic, then streamline research with links to further information on Lexis Advance®.

#### Flexible and proven eBook lending solution, enabled by OverDrive.

Powering 22,000 library and school partners worldwide, the OverDrive lending platform is time tested. With unrivaled device compatibility, 24/7 platform support, and no additional hardware required, you'll leverage the experience of the world's leading digital lending provider and gain peace of mind.
