Rethink your value—and refresh your LexisNexis® product knowledge

You could win a \$500 Amazon.com® Gift Card, an Apple® iPad® mini and more.

Stop by LexisNexis® Booth #403 at the AALL Annual Meeting Exhibit Hall, and you will have three opportunities to win:

1. **Get a daily gift just for viewing three LexisNexis demonstrations¹** of your choice at Booth #403. (Get a different gift for viewing each day.)
2. **Get chances to win an Apple® iPad® mini.²** After viewing your third daily demo at LexisNexis Booth #403, you'll be entered automatically into the **daily drawing** for an Apple iPad mini. View Sunday, Monday and Tuesday; get a chance to win each day. No demo cards or entry forms!

The daily iPad mini drawings will take place 30 minutes before the exhibit hall closes each day. Winners' names will be posted at the LexisNexis Booth #403 redemption desk. If your name is chosen as a winner, pick up your iPad mini—and start enjoying it.

3. **Get multiple chances to win the grand prize—a \$500 Amazon.com Gift Card.³** Get one automatic entry for every demonstration you view. The drawing will take place August 15, and the winner will be notified August 16.

Can't be in Seattle? You can still win the \$500 Amazon.com Gift Card!³

Knowledge Mosaic®

Bringing together a myriad of sources into a single brilliant resource.

The Knowledge Mosaic® service brings together multifaceted securities, federal regulatory, disclosure and transaction information into one brilliant resource. Get fast access to a unique blend of information and resources—much of it updated in real time—that you won't find from any other single source.

Disclosure & Transactions

Our complete collection of SEC EDGAR® filings is updated in real time. Use robust search fields at the filing and company levels, which complement full Boolean and relevance text search capabilities.

- View filings associated with initial public offerings, including registration statements, prospectuses, and pricing supplements with our IPO search.
- Examine 10-K and 8-K items to identify disclosure on legal proceedings, MD&A, D&O, executive compensation, beneficial ownership, financial statements and more.
- Share or save your results with a suite of advanced document dissemination features. Your personal Document Cart, with a capacity of 100 items, allows you to batch download files or create a single composite document culled from the filings, exhibits, and subdocuments you've collected there.

Laws, Rules, Agencies

Our Laws, Rules, and Agency Materials page lets you cross-search the entire federal regulatory landscape. It features regulatory, guidance, enforcement, research and news publications from nearly 50 federal agencies and subagencies, including complete coverage of the SEC. We also provide the *Federal Register*, the complete and current CFR and the complete U.S. code.

With our SEC Comment Letters search page, you can also filter by industry, location and the form type of the subject filing. View all letters in a related comment letter thread, and generate a single PDF that consolidates them.

NEXT >

News & Alerts

Our powerful alert system delivers the relevant news, data and guidance materials you're looking for from our premium suite of news publications.

- Receive daily emails covering securities and financial services, along with authoritative commentary in our popular Blogwatch.
- Create Custom Query Alerts for nearly all the data on our research platform. Use advanced text searching, keyword-in-context highlighting and customizable delivery schedules.
- Set up your alerts or search-page queries as RSS feeds, so you can deliver or receive real-time information in widgets, dashboards and mobile apps.
- Keep pace with the torrent of rulemaking generated by the sweeping Dodd-Frank Wall Street Reform and Consumer Protection Act with our Dodd-Frank Rulemaking Tracker.

Enforcement & Litigation

Our Investigation Disclosures page lets you search for companies that have disclosed investigations by federal agencies (the SEC, Department of Justice, Federal Trade Commission), U.S. states and foreign governments. Use our SEC Enforcement-Defendant Search to find SEC actions by defendant type and position, violation, penalty type or amount and more.

Law Firm Memos

Law Firm Memos are an invaluable resource for keeping up with the latest legal developments and doing in-depth research on special topics. This database of expert commentary features nearly 100,000 memos from North America's top firms and is updated daily.

Filter by text search, authoring firm or topic. Select from among 46 practice areas, including Securities, Energy, Communications, Antitrust & Competition, Corporate Governance, Financial Services, Intellectual Property, Tax, Labor & Employment and much more. Additionally, you can create daily email alerts by authoring firm, practice area and text string.

Model Business Documents

Find model precedent language for a variety of business documents, including agreements, contracts, covenants, bylaws, opinions and more. Choose from among millions of sample documents culled from public companies' SEC Disclosures.

- Leverage key common documents such as Compensation Agreements, Indentures, Letters of Intent, Credit Agreements, Stock Option Plans, Distribution Agreements, Purchase and Sale Agreements, and Assignments of Rights.
- Search text within an entire document for key terms or phrases.
- Filter by company industry (e.g., Industrial & Manufacturing, Healthcare & Pharmaceuticals) or by index membership (e.g., Fortune 500®).

A Knowledge Mosaic license also includes full access to our industry's best customer support, research assistance, and training. Whether you need help refining a search or just want to get caught up on all our latest features and datasets, our experienced support staff is only a call or email away.
