About the Authors

Professor Mary Ann Chirba, J.D., holds a Master of Public Health in Health Policy degree from Harvard and is a professor of Legal Reasoning, Research and Writing at Boston College Law School where her courses have included Comparative Health Law. She has spoken and written extensively on health care reform.

Professor Alice A. Noble, J.D., also holds a Master of Public Health degree from Harvard. She is a senior lecturer at Brandeis University, has written extensively on health law and has been an invited speaker on national health care reform.

Michael M. Maddigan, J.D., is co-chair of the O'Melveny & Myers LLP Health Care and Life Sciences Practice. He has repeatedly been named a health care "Super Lawyer" in recognition of his work representing clients in health care litigation.
