

Lexis Advance® SUMMER 2014

ALL ACCESS

Use your Lexis Advance® ID for:

- Academic, professional and non-profit research
- All legal content and news you have as a law student
- Unlimited hours-per-week

You may use your Lexis Advance ID for all legal work* purposes, from the date your classes end this spring until the end of the summer. Normal law school terms of service apply outside of these dates.

Graduating 3Ls, you also have unlimited access from the date your classes end in spring through 7/31/14 (when your law school account expires).

*If you are working in a larger law firm over the summer you will likely have no need to use your law school ID as Lexis will be providing extensive free access to Summer Associates in these firms. If your particular firm does not have dedicated free Summer Associate access – feel free to continue to use your law school ID.
