## GLOBAL

---

PUBLISHER: News Bites Pty Ltd.  
PUBLICATIONS INCLUDED:  
News Bites – People in Business  
News Bites – Private Companies

News Bites – People in Business collects information from stock exchanges and company websites worldwide to produce incisive news articles focussing on senior management (e.g. CEOs, CFOs, Directors & Company Secretaries) which assess the financial performance of a company during the employment period of the senior manager.

The content includes a proprietary Management Scorecard which details the key financial performance indicators of the company over the employment period, including shareholder returns. Changes in appointments, trading and dealing, management statements and the like are all covered. Articles include biographical and remuneration data as available.

Coverage is Europe, Latin America, the Middle East and the USA. The coverage will be expanding to include Asia and Asia-Pacific and in due course the rest of the world's regions.

News Bites – Private Companies comprises a daily collection of corporate announcements and press releases only from private companies. The JV is backing the announcements with its growing database of private company financial information. Articles incorporate the full original text and a Company Background Section which includes financials, management information and snippets of recent previous announcements from the same company.

Coverage is Europe, Latin America, the Middle East and the USA. The coverage will be expanding to include Asia and Asia-Pacific and in due course the rest of the world's regions.

## TAKEDOWNS
