Nexis has added several new enhancements to help streamline your research. Nexis will now be easier to use with fewer clicks, intuitive selections, and additional search options with a clean, consistent look to help you find precisely the answers you need.

Multi-Language Sign-On Page – A consistent interface for all Nexis users across the globe

The screenshot shows the Nexis sign-on page with the following elements:

- Language Selection:** A dropdown menu at the top left shows options: English (US), English (UK), Deutsch, Español, Français, Nederlands, Português, and Русский. A red box highlights this menu, with a red dot and dashed line pointing to the text: "Multiple language options for non-native English speakers".
- Sign In Form:** A form titled "Sign In to Nexis®" with fields for "ID" and "Password", and a "Sign In" button. Below the form are links for "Academic Sign-in", "Sign-in Tips", "Forgot Your Password?", and "System Requirements". There are also checkboxes for "Remember My Sign-in Information" and "Use a Secure Connection (SSL) for Entire Session".
- Welcome to Nexis Section:** A new section titled "Welcome to Nexis" is highlighted with a red box. It includes the text "Available from July 12, 2014" and a list of updates:
 - Updated Power, News and Company search forms provide a more streamlined research experience
 - A new 'quick find' word wheel for selecting sources and index terms lets you easily browse and enhance your search
 - Power Search and News search forms now offer simplified date selections, and exclude options to get you precisely the results you want
 - Your delivery folder can now be easily sorted by date and has increased in capacity from 100 to 500 documents
 - The new 'Download to Cloud' feature lets you send docs to DropBox or Google Drive™ for access anywhere, anytimeA red dot and dashed line points from this section to the text: "What's new section for important product and content updates".
- Source info:** A section with a speech bubble icon, text describing the Source Locator, and a link "Source Locator".
- New user? Sign up!:** A section with an icon of three people, text "Find your local contact details here.", and a link.
- Transform the way you research!:** A section with a laptop icon, text about sample search strings, and a link "Find out more".

Streamlined navigation – an updated look and feel that is less cluttered and consistent for all users

The screenshot displays the LexisNexis website interface with several key elements highlighted:

- Top Navigation:** A red bar at the top contains 'LexisNexis Services' (dropdown), 'My Documents (0)', 'Project: None', 'My Settings', 'Contact Us', 'Help', and 'Sign Out'. The 'Helpdesk' contact information '1 800 543 6862 or 1 937 859 5398' is also highlighted.
- Search Section:** The 'Search' tab is active, showing 'Power Search' and 'Easy Search™' options. The 'Power Search' section includes radio buttons for 'Terms and Connectors' (selected) and 'Natural Language', a search input field, and a 'Search' button.
- Left Sidebar:** Contains 'Related Searches' (with 'Power Search' and 'Easy Search™' highlighted), 'My Favorite Search Forms' (listing Power Search, News, Company Profiles, Industry Reports, Countries Search, Biographical), and 'Useful Links' (listing New sources, Searchable Directory of Online Sources, Industry Classifications look up & Currency Converter).

Red dashed lines connect the highlighted elements to the following explanatory text:

- Drop down menu with links to other LexisNexis products** (points to the 'LexisNexis Services' dropdown).
- Default to Power Search, but Easy Search will remain for those who wish to use it – all customer preferences will remain the same** (points to the search options).
- Local customer support help line conveniently located within the top navigation** (points to the 'Helpdesk' contact information).

Updated Search Forms Overall – Now more clean, more intuitive and more consistent

The screenshot displays the LexisNexis search interface. The main search form is titled 'Power Search' and includes a search bar and a 'Search' button. A dropdown menu is open, showing various date selection options: 'All available dates', 'Today's date', 'Previous week', 'Previous month', 'Previous 3 months', 'Previous 6 months', 'Previous year', 'Previous 5 years', 'Previous 20 years', and 'Custom date'. A calendar view is also visible, showing the month of April 2014. The calendar has a header 'April 2014' and a grid of days. The date '19' is highlighted in the calendar. The interface is clean and intuitive, with clear labels and a user-friendly layout.

Index Word Wheel – Available on both Power Search and News tabs, making it easier to add index terms to your search

The screenshot shows the LexisNexis News search page. The 'Add Index Terms' link in the left sidebar is highlighted with a red box. A callout box titled 'Add Index Terms' shows a search input field with the text 'Start typing an index term...' and a dropdown menu. A second callout box shows the dropdown menu populated with a list of index terms starting with 'Infor'.

- **Index Word Wheel** – Similar to the Source Word Wheel, simply start typing keywords and related index terms will appear from which you can select.

Index terms help refine searches and find documents with similar topics, regardless of whether or not the term is explicitly mentioned in the document. LexisNexis has thousands of company, subject, industry, people and geographic index terms, allowing you to find relevant documents without having to add synonyms to your search. This also reduces false hits that are unrelated.

New Results Page View – An optional setting allows toggling between page views for easier reading of results

The screenshot displays a search results page for the term "Hollywood". At the top, a search bar shows "You searched for: Hollywood" with options to "Deliver results", "Edit search", "Save this search", "Create an alert", and "Link to this search". Below the search bar, a row of filters is highlighted with a red box, showing "All Results (1000)" and various content types: Newspapers (311), Newswires (8), Trade Press (10), Magazines (10), Multimedia (638), Blogs (1), Industry (10), Country (1), and Legal (1). On the left side, there are sections for "Sort results by:" (set to Relevance), "Search within results" (with a Go button), and "Narrow by source", "Narrow by language", "Narrow by industry", and "Narrow by company". The main content area shows a list of results, with the first result highlighted by a red box:

Source Name	Date	Words
Orlando Sentinel (Florida)	October 25, 2014 Saturday	314 words
Winnipeg Free Press (Canada)	October 25, 2014 Saturday	867 words
Las Vegas Review-Journal	October 24, 2014 Friday	482 words
China Daily	October 27, 2014 Monday	400 words
Future News - Media Planner	October 27, 2014 Monday	62 words

Each result includes a preview snippet, a "Preview" button, and a "My Documents" button. The first result's preview is: "... hat at Disney's **Hollywood** Studios will come ... 8 hits in this document | next excerpt".

- **Quickly filter results**— by content type

- **Easier scanning of results**— with column display that clearly shows the article title, source, publication date and length

New Results Page View (cont'd)

The screenshot displays the LexisNexis search results interface. On the left, a list of search results is shown, each with a 'Preview' button. A red box highlights the 'Preview' button for the first result, 'Prepare to bid farewell to Disney's sorcerer's hat'. A dashed red line connects this button to a larger, detailed preview pane on the right. The preview pane shows the full text of the article, including the source (Orlando Sentinel), date (October 25, 2014), byline (Sandra Pedicini and Dewayne Bevil), and the main text. A 'Go to full document' button is visible at the bottom of the preview pane.

New preview option – Preview pane for reviewing results faster and more easily, without having to leave your results

Delivery Folder Updates – with a new ability to sort results and added capacity of 100 documents to 500 documents.

The screenshot displays the 'My Documents (3)' interface. At the top, a message states: 'Documents expire 24 hours after the time they were retrieved via a search. Please note: **A maximum of 500 documents** can be added to My Documents.' Below this, there are navigation buttons: 'All', a group of icons (print, download, email, share), and 'Delete'. A 'Sort by:' dropdown menu is set to 'Newest to Oldest'. The main area contains a table with three document entries:

No.	Results
<input type="checkbox"/> 1.	Mortgage convexity Journal of Financial Economics, August 2014, Pg. 270, 17300 words, Samuel G. Hanson, shanson@hbs.edu
<input type="checkbox"/> 2.	Brimming with Hope Business Today, June 22, 2014, ECONOMY, 1068 words, Manu Kaushik
<input type="checkbox"/> 3.	Quebecor 'ready' to take on Big Three; CEO Pierre Dion urges Ottawa to create 'level playing field' so Quebec media firm can go national The Globe and Mail (Canada), June 19, 2014 Thursday, REPORT ON BUSINESS: CANADIAN; TELECOM; Pg. B3, 665 words, CHRISTINE DOBBY

At the bottom, there are navigation buttons, '1 / 1', and 'Items per page' set to 10. A red dashed line connects the 'Sort by:' dropdown in the main interface to a larger, detailed view of the dropdown menu below. The detailed menu shows three options: 'Newest to Oldest' (selected), 'Newest to Oldest', and 'Oldest to Newest'. A mouse cursor is pointing at the 'Oldest to Newest' option.
