

LexisNexis®

Lexis Advance®

# YOUR FEEDBACK IS IN OUR DNA

## CUSTOMER FEEDBACK FUELS OUR PRODUCT DEVELOPMENT

When you share your ideas with us through various channels such as the feedback button within Lexis Advance®, research surveys, comments to your LexisNexis® account representatives and conversations with LexisNexis® Customer Support, we get to work on prioritizing future enhancements and ensuring each one delivers value to you.

# LexisNexis® Future Enhancements

**FASTER START**  
TO RESEARCH

**MORE**  
SEARCH POWER

**EASIER**  
RESULTS REVIEW

**ADDED DOCUMENT**  
FLEXIBILITY

**MORE MUST-**  
HAVE CONTENT

**BETTER ACCESS**  
WHERE YOU WORK

## OCTOBER 2015

**Advanced Search:** Both experienced and novice users can quickly build searches and unlock the power of segment searching.

**Search Tips:** Even easier-to-find information on constructing powerful searches on Lexis Advance.

## NOVEMBER 2015

**Did You Mean?** functionality: Get on-the-spot help to better ensure on-point answers.

**Adjustable Font Sizes:** Soon have easy customization of the Lexis Advance text display.

**Document Enhancements:** Search within a document plus more efficient navigation to sections within a document.

**Additional Practice Pages:** More curated content and workflow solutions organized by practice areas and jurisdictions.

**Custom Interfaces and API Tool Enhancements:** Get even greater control over the integration of Lexis Advance content into your intranets, SharePoint® sites and other workflow tools.

## DECEMBER 2015

**Serial Set Enhancements:** Improved search results and pinpoint PDF linking to search terms.

## JANUARY 2016

**Explore Content:** Browse sources and pre-filter searches by navigating content hierarchy screens from the Lexis Advance home page.

## FEBRUARY 2016

**LexisNexis® News Collection:** All news content from *lexis.com*® in Lexis Advance.

**News Story Deduplication:** Eliminate near- and exact-match articles from results sets.

**Home Page Personalization:** Improve your "start" experience in Lexis Advance.

**Expanded Segment Searching:** More pinpoint search capabilities at Lexis Advance.

**Access** to more International and Foreign Law sources.

**Mobile Enhancements:** Continuous improvements to iOS applications and mobile website for better on-the-go access to Lexis Advance content.

**Table of Contents Search and Delivery Enhancements:** Move even faster in your review of structured publications.

**Indices for statutory and analytical content:** Review "back of the book" topical organization of content.

**Post-Search Filtering Enhancements:** Further streamline your review of search results.
