# DIFFERENCES THAT DELIVER DEEPER CONTENT

Across the board, LexisNexis helps you strengthen your position with better authoritative resources. Here's how:

## Cases & Codes: Best in Class

LexisNexis collects **cases directly from 1,000+ U.S. collection points** and brings them online using a 29-step quality control process. We make more than **500,000 corrections and enhancements to cases** received from the courts each year.

We offer more cases with **both case summaries and headnotes** in the last 20 years than competitors.\* And Lexis Advance® headnotes are written by professional attorney-editors using **language directly from the case**.

Comprehensive collections of **unpublished case law** are available at the U.S. and state levels. Unpublished cases are retrieved with the court's permission, clearly labeled—and include case summaries and headnotes.

Of the 21 states that have an official annotated code, **17 states have selected LexisNexis** as their official publisher.

LexisNexis incorporates the full text of new legislation into the USCS annotated, offering you the **exact language of the Statutes at Large**, which courts rule to be the controlling language.

Only LexisNexis offers **more than 2,600 municipal codes**, which can help you understand how communities regulate and conduct business.

## Matthew Bender®: More than 1,000 Titles

Treatises, practice guides, form books and clause libraries—all written by recognized practice experts.

**Courts cite Matthew Bender® year after year**, from state courts to the U.S. Supreme Court. You know the names: *Moore's Federal Practice*®, *Collier on Bankruptcy*®, *Nimmer on Copyright*®, *Weinstein's Federal Evidence*™, *Larson's Workers' Compensation Law* and many others.

**Monitor groundbreaking legislation** and important developments with quick-to-market pamphlets from the Matthew Bender editorial teams on new laws and hot topics. Pamphlets are part of your title subscription.

Select **print or online**. Or choose from **3,000+ eBooks**—all available for viewing on your preferred eReading device or desktop.

## News & Social Media: 26,000 Credible Sources

That includes *The National Law Journal*®, *The American Lawyer*®, *New York Law Journal*®, *The Recorder*® and *Corporate Counsel*®, plus all other ALM® legal publication archives, including blogs. LexisNexis is the exclusive online, third-party provider of the broad, full-text collection of ALM legal content.

*The Wall Street Journal*®, *Dow Jones News Service* and other Factiva® content is also provided to law firms exclusively by LexisNexis.

## Premier Federal Agency Content: 2.5 Million documents (and counting)

Way beyond *Federal Register*, this extensive content comes from **75+ agencies**. Find a permanent archive of press releases, newsletters, statements/speeches, testimonies, etc., often no longer available on agency websites or in agency document retention. Also get exclusive access to **Public Utilities Reports (PUR)**. Search once and get fast access to relevant decisions of utilities commissions.

## Verdicts & Settlements: 1.1 Million

Assess cases earlier, sharpen case strategy and mitigate risks better.

Link directly from your Lexis Advance® results to LexisNexis® Verdict & Settlement Analyzer. Transform verdict & settlement results into **easy-to-interpret charts and graphics, which can reveal vital trends**—like trends in award amounts—and give you strategic insights. Even uncover opportunities.

## Elsevier® Science Journals: 1,400+ Full Text and Exclusive

Find preeminent experts; track medical, health, environmental, pharmaceutical, genetics topics, etc.; locate a company's intellectual property and their research pipeline; conduct prior-art research; gain insights into highly complex technical and scientific issues; and determine standards of care as well as mitigating conditions. Even track important scientific societies.

## Public Records: 45 Billion Records, Plus Superior Linking Technology

Where did a person or business of interest leave a "footprint"? The more records you mine, the better your chances of revealing even well-hidden footprints.

**Refreshed daily with one million additional records**, the LexisNexis Public Records collection opens the door to:

- 9.3 billion unique **name/address combinations** that map to about 717.8 million unique identities
- 1.4 billion **business records** and 2.5 billion business contact records representing more than 277 million unique businesses

- 4 billion records of **personal property data** covering almost 95% of the United States
- 625.1 million **phone numbers** not currently found in directory assistance
- 239 million unique **cell phone numbers**
- 607 million unique **email addresses**

Plus our LexisNexis SmartLinx® linking technology can connect entities that don't have a public record in common and surface records even when the search terms aren't in the original documents. And 99.65% of LexisNexis Public Records have been uniquely identified and assigned a LexID® number, improving your finding power.

## CourtLink® Federal and State Court Dockets and Documents: 180 Million
