Lexis Practice Advisor®

INTRODUCING THE NEXT STEP FORWARD FROM LEXIS PRACTICE ADVISOR®

See the new look of our home page with more convenient features and easier navigation.

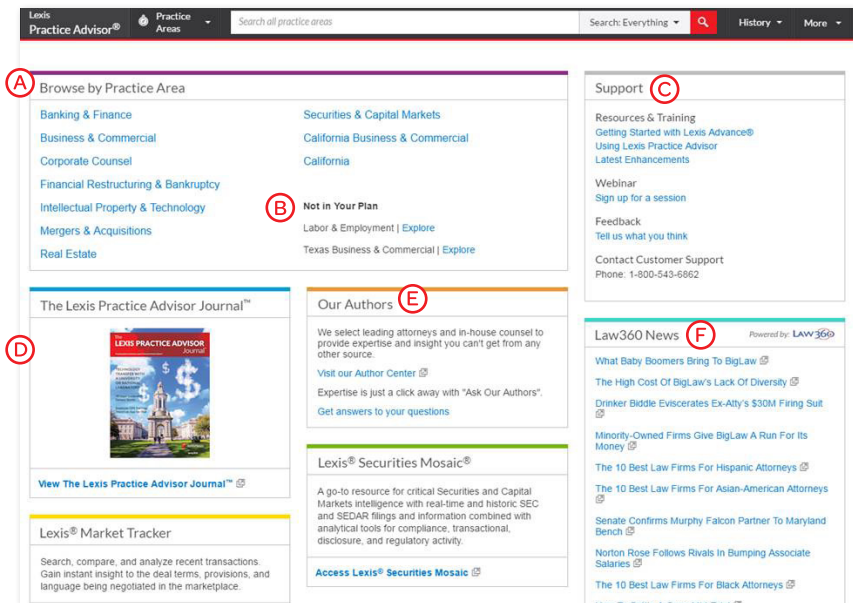

Coming this summer, Lexis Practice Advisor® is introducing a new home page based on the input we received from Lexis Practice Advisor users like you.

The new design offers you a more streamlined user experience with easier, more intuitive navigation and faster access to the information you need most. In addition, you can preview content and more for practice areas you haven't subscribed to yet.

Your feedback and insights are always welcome. They help us provide products and services with the greatest value to you. Please enjoy the new Lexis Practice Advisor home page.

Our new home page features:

- (A) Easy access to all practice areas in your subscription without having to use the practice area pull down
- (B) The ability to explore tables of contents, titles and descriptions of content for the practice areas you haven't subscribed to yet
- (C) Quick access to Lexis Practice Advisor resources and training support
- (D) Direct access to The Lexis Practice Advisor Journal™
- (E) Convenient links to Ask Our Authors and provide Feedback
- (F) Ability to stay current on the business of law with a quick review of Law360® headlines

If you have questions, please contact your LexisNexis® representative.
