LEXIS® SEARCH ADVANTAGE WITH LEXIS PRACTICE ADVISOR®

WHERE A FIRM'S WORK AND PRACTICAL GUIDANCE COME TOGETHER

Over time, every firm builds a trusted library of proven contracts, agreements and other documents that serves as a valuable resource for attorneys who address similar matters in the future. Now, it's possible to enhance Lexis® Search Advantage results for these documents to include on-point practical guidance from the Lexis Practice Advisor® service.

GAIN INSIGHTS AS YOU SEARCH WITH RESULTS THAT INCLUDE FIRM DOCUMENTS AND PRACTICAL GUIDANCE FROM LEXIS PRACTICE ADVISOR

COVER MORE GROUND

Gain a broader, deeper perspective by simultaneously retrieving information from internal resources and on-point practical guidance through the power of the Lexis Search Advantage flexible, agnostic software.

FIND YOUR PATH

The 550+ expert attorney authors of Lexis Practice Advisor offer beginning-to-end practical guidance covering 14 practice areas based on real-world experience. Be confident you're on the right path with Lexis Practice Advisor practice notes, checklists and annotated forms.

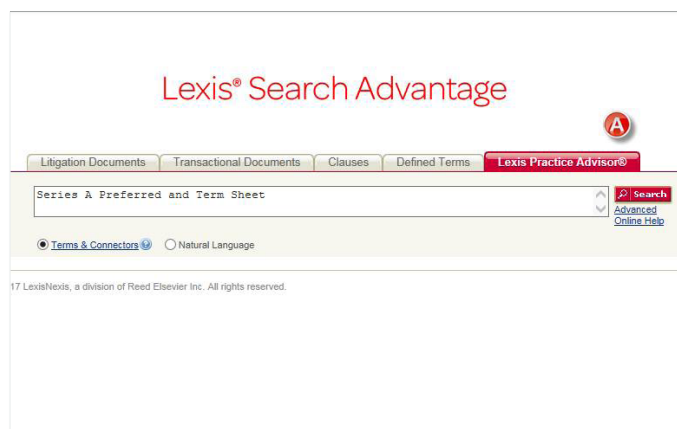

SEE NEW POSSIBILITIES

In a world where larger firms may have more than 30 million documents, Lexis Search Advantage enhances and provides easier access to both internal and external documents. Together with Lexis Practice Advisor, Lexis Search Advantage can help attorneys discover unexpected opportunities as they work.

ENHANCE YOUR SEARCH RESULTS WITH PRACTICAL GUIDANCE

CHOOSE THE LEXIS PRACTICE ADVISOR TAB

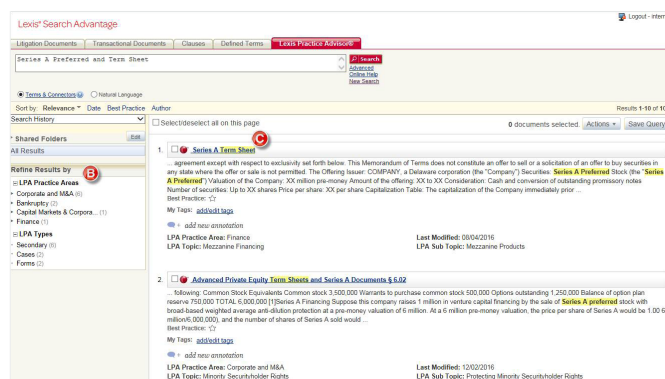

A. Easily search for and locate on-point practical guidance from within the familiar Lexis Search Advantage interface.

PINPOINT THE LEXIS PRACTICE ADVISOR RESOURCES YOU NEED

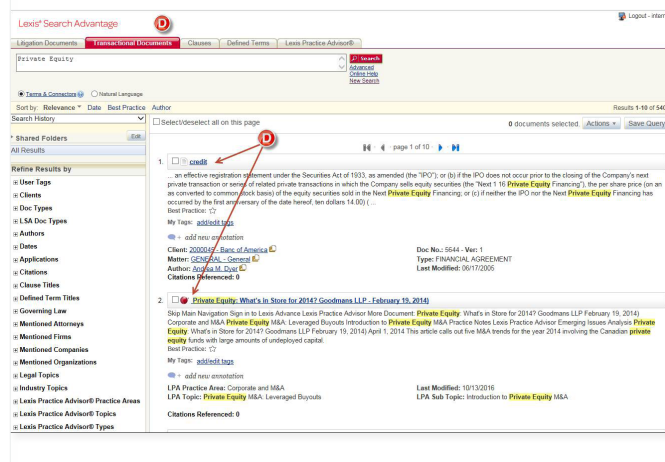

B. Browse or refine your Lexis Practice Advisor results via familiar post-search filters.

C. Link directly to Lexis Practice Advisor practice notes, checklists, annotated forms and more by simply clicking the title link in the results list.

RETRIEVE BOTH INTERNAL DOCUMENTS AND PRACTICAL GUIDANCE

D. Access both your firm's documents and Lexis Practice Advisor content through a single search.
