LEXISNEXIS® ASPIRE

ASPIRE

Public service work may be your primary goal, or may allow you to make a difference while gaining experience. We are aware of the challenges you face, and for this reason provide a longer period of access to Lexis Advance with a unique ASPIRE ID.

Review the eligibility requirements below, and if your employment qualifies, apply for an ASPIRE ID using the form at: lexisnexis.com/grad-access

(You will need your student ID to apply. Please contact your law school's LexisNexis® Account Executive if you don't remember it.)

Eligibility

All graduates (including December graduates) engaged in verifiable 501(c)(3)* public interest work will qualify. You will need to provide documentation verifying your public interest employment. This could be a letter confirming your start date on organization letterhead

Exclusions

- Government work (even if unpaid)*
- Work for a law firm (even if it represents a non-profit organization)

What to expect

Within two weeks of submitting your ASPIRE registration you will receive an email notifying you whether or not your eligibility and documentation meet program requirements. If your eligibility is confirmed, you will receive an ID and password for ASPIRE access to Lexis Advance services within a few weeks of your graduation. Your ASPIRE ID will last for 12 months from the time you received it.

If you are not eligible, Lexis Advance access will continue automatically for six months with your student ID.

*Government work such as working for a district attorney's office or public defender's office; administrative agencies; or clerking for a judge is excluded because these entities are not 501(c)(3) organizations. A 501(c)(3) organization is defined as one that is organized and operated exclusively for religious, charitable, scientific, testing for public safety, literary or educational purposes.
