Advancing what's possible

Lexis Practice Advisor®

Accomplish antitrust matters with know-how and efficiency

Practice with Efficiency and Confidence Using World-Class, Authoritative Antitrust Practical Guidance and Related Legal Resources

The Lexis Practice Advisor® service provides task-specific legal know-how for antitrust and competition law.

In addition to practice notes to guide you, you'll find on-point annotated forms and checklists to help you complete your matters. The resources you need are all in one place and easy to use to help increase your efficiency from start to finish.

> Legal know-how from attorney authors

PRACTICE NOTES

Insightful professional guidance offers experiential tips from antitrust practitioners on a broad range of antitrust topics, including: advising clients on antitrust implications of mergers and acquisitions; counseling clients in their dealings with competitors, customers and suppliers; representing clients in civil antitrust litigation and criminal antitrust investigations; and more.

ANNOTATED FORMS

Drafting notes and alternative clauses help simplify drafting of complaints, clauses in distribution agreements, letters terminating distributors, practical counseling memoranda to clients and more.

> What it's like to use Lexis Practice Advisor Antitrust

- Find **practice notes** covering unique antitrust considerations in specific phases of litigation—particularly with respect to certifying a class, moving for summary judgment and establishing antitrust injury and standing.
- **Drafting a complaint?** Access a sample complaint that provides a summary and drafting notes to guide the attorney, as well as clauses and checklists that can help ensure necessary allegations are included.
- The **checklist for answering a complaint** indicates necessary allegations that a complaint must contain and includes a list of potential defenses.

> Transactions Search powered by Intelligize®

Leverage this powerful tool to extract insights from public company agreements to support your negotiations, find precedent language and identify trending changes in provisions. Transactions Search powered by Intelligize® provides access to all exhibits to electronically released SEC filings from 1994 to present. New exhibits are added as soon as they are publicly available on EDGAR®.
