

Drive your labor, employment & benefits practice forward with the most advanced legal technology platform from LexisNexis®

An evolving regulatory landscape, and complex negotiation and litigation matters, provide an opportunity to address uncertainty and grow your business. Harness the most up-to-date labor, employment and benefits resources, cutting-edge technology and practice area support with LexisNexis®.

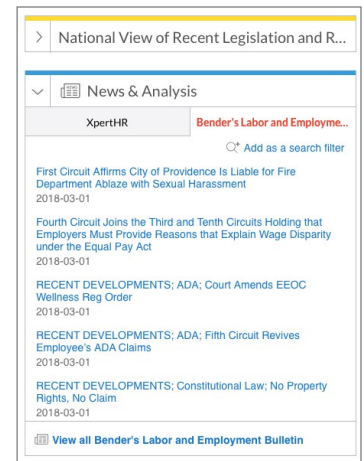

Guide management through interactions with labor unions and agencies

Prepare for labor negotiations with practical insights into union organizing, collective bargaining provisions and issues that can arise without sound agreements in [Littler on Union Organizing & Collective Bargaining](#).

Prepare for unfair labor practice proceedings before the NLRB or the PERB with [Matthew Bender® Labor and Employment Law](#), the definitive guide on federal and state laws.

Stay on top of rule changes and decisions at the [Lexis Advance® Labor & Employment Practice Center](#) with Bender's Labor and Employment Bulletin, Law360®, Mealey's® Daily Labor and Employment news, and myriad news sources, in addition to DOL, EEOC and NLRB materials.

Understand key statutes, such as the FLSA, and wage and hour laws. Draw on the experience behind [Wages and Hours: Law and Practice](#).

Develop strategies to avoid litigation, but have the tools to prevail

Value the case. Predict the outcome. Lex Machina® mines litigation data to reveal insights never before available on judges, lawyers, parties and topics. Quickly assess damage awards and settlements in similar cases with unique data visualization and summary charts for effective, data-driven decisions. This innovative service complements LexisNexis® Litigation Profile Suite and LexisNexis® Verdict & Settlement Analyzer.

Master the use of dockets and documents. [LexisNexis® CourtLink®](#) has revolutionized access and application of docket information. Combined with Lex Machina tools you can effectively leverage the depth of our rich data repository.

The screenshot shows the "Lex Machina" interface for the "Employment Practice Area". It displays a table titled "Recent Damage Awards" with 10 most recently filed cases. The table has columns for "Docket", "Amount", and "Damage Type".

Docket	Amount	Damage Type
2018-03-15 (#569)	\$3,000,000.00	Other Compensatory Damag
2018-03-15 (#569)	\$744,832.00	Other Compensatory Damag
2018-03-14 (#39)	\$107,196.00	Backpay

Strategize with employers, and advise on a wide range of issues

Avoid and navigate discrimination claims with [Larson on Employment Discrimination](#), the leading authority on all aspects of the law as they relate to Title VII, the ADA, gender identification or sexual harassment.

Get early warnings on legal trends even before regulations are in place, with Mealey's, Law360 and the Matthew Bender® Labor & Employment Bulletin. Access easily in the [Lexis Advance Labor and Employment Practice Center](#).

Research while reading [Employment Law: Mealey's Litigation Report](#), which links directly to cases, statutes, regulations, dockets, verdicts and settlements, even judge profiles in Lex Machina.

Bridge the gap between news and treatises with [Expert Analysis of Emerging Issues](#).

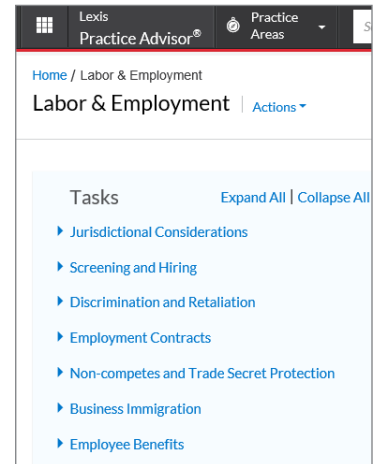

Experienced advisors and up-to-date content help you streamline labor and employment tasks

[Lexis Practice Advisor](#)® Labor & Employment tools help you organize and execute L&E tasks with clarity and efficiency.

Research law across jurisdictions. Get up to speed on employment law across all of your clients' operations with tools that include our popular state law charts.

Trust our practical support. Up-to-date guidance and practice notes are provided by practicing attorneys who also curate secondary content. Get model forms, clauses and checklists. Search statutes, cases, administrative regulations and more.

We're with you for every step. Structure a deal, support an acquisition, conduct due diligence, form joint ventures ... the tools you need are here.

Counsel employers, benefit plan trustees and service providers on all aspects of employee benefit plans

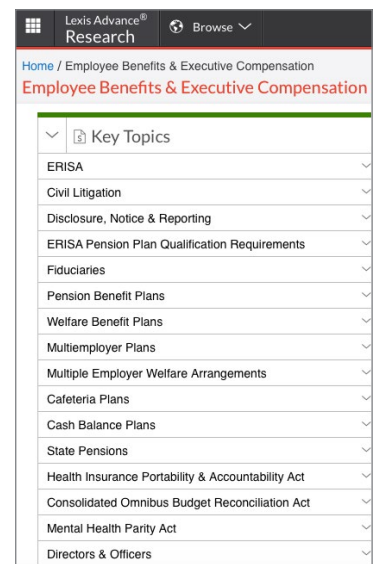

Confidently navigate the detailed plans that provide for the welfare of employees. The Lexis Advance [Employee Benefits & Executive Compensation Practice Center](#) has the tools you need to analyze and draft as required, safeguarding employers from unfavorable consequences.

Effectively represent clients before government agencies such as the IRS, the Labor Department and the Pension Benefit Guaranty Corporation.

Rely on leading authorities as you review and advise on 401(k) plans, ESOPs, defined benefit plans, executive compensation plans and welfare benefit plans, e.g., cafeteria plans and COBRA.

Keep current on healthcare reform with our leading current awareness materials from Mealey's, Law360, Factiva® and ALM®.

Navigate ERISA matters with leading practice guides from Matthew Bender and ALM.

Zero in on the most critical labor and employment content.

Access Lexis Practice Advisor seamlessly from the Lexis Advance navigation grid at the top.

Get daily updates with Law360 Employment newsfeeds.

Receive daily, critical information for your business and your clients with Alerts. Click the "bell" icon in Lexis Advance search results, then use *Overview*, *Monitor* and *Delivery* options to customize.
