

Drive your banking and finance practice forward with the most advanced legal technology platform from LexisNexis®

Your role is diverse, complex and ever changing. Stay on top of market fluctuations and your clients' most pressing needs with LexisNexis, offering up-to-date banking and finance resources, cutting-edge technology and practice area support.

Ensure compliance and track regulations.

Regulations present a complex set of actions that organizations may and may not take, shifting over time and across jurisdictions. They rely on your counsel to make smart decisions. Stay one step ahead with a best-in-class portfolio of information, insights and cutting-edge technology tools.

Gain real-time insight into regulatory developments with [MLex® Financial Services](#). MLex® navigates fluctuating global regulatory environments with market insight, analysis and commentary on risk. (See screen at right.)

Maintain compliance with the trusted guidance in the [Lexis Advance® Banking & Financial Services Practice Center](#), including [LexisNexis® Sheshunoff®](#) and [LexisNexis® A.S. Pratt®](#) publications, eBooks and webinars. A broad collection provides more than 100 banking compliance and risk management publications on banking law in general, and on specific subcategories dealing with the Uniform Commercial Code, Dodd-Frank, loan policies, information security, money laundering, eCommerce, compliance monitoring [and more](#).

Consult leading authorities on a range of banking and finance subjects with analytical content in the [LexisNexis® Matthew Bender® Banking and Commercial Law Library](#).

Access global securities filings and regulatory materials with [Lexis® Securities Mosaic®](#) –the intuitive interface delivers current awareness tools and federal rulemaking trackers. Sources include SEC EDGAR®, SEDAR® and UK filings; news resources; and a broad range of information from international private placement memoranda to law firm memos. (See screen at right.)

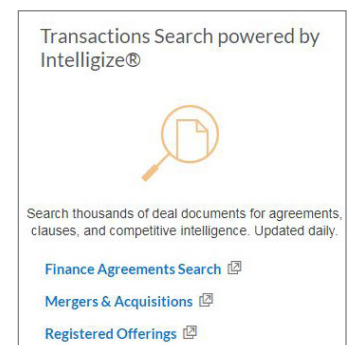

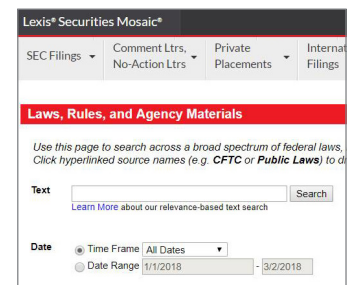

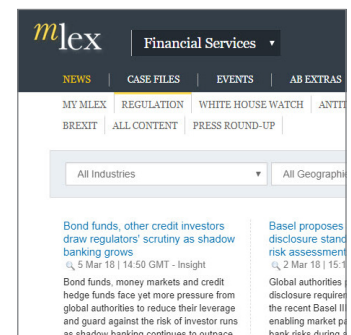

Know where you're headed.

Be fully versed to deliver early warnings about the latest developments, trends and unexpected turns. Legal newsletters, journals, business content and other current awareness sources ensure guidance is well-informed.

Keep your edge with resources from A.S. Pratt® reports, including [The Banking Law Journal](#) and newsletters covering lender liability and bank security; [The Wall Street Journal®](#); [Factiva®](#); [Law360®](#); and [Mealey's®](#) Litigation Reports.

Understand market trends with current market intelligence and deal information with [Transactions Search powered by Intelligize®](#). (See screen at right.) Access from the [Lexis Practice Advisor® Finance](#) practice area page.

Monitor specific cases you choose with [LexisNexis® CourtLink®](#) tracks and alerts. Single-search functionality adds an additional element of efficiency to queries.

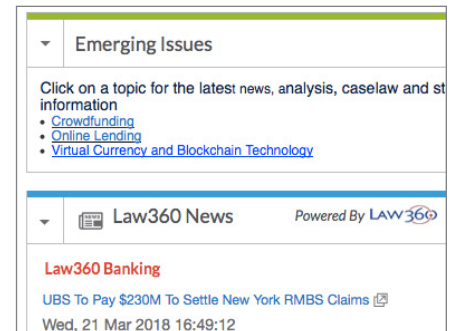

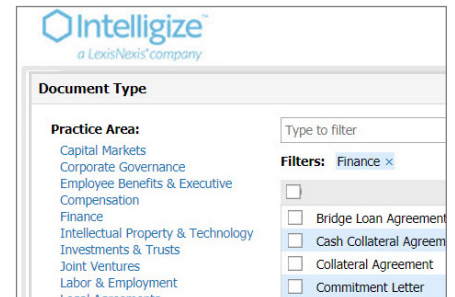

Advise and transact with practical solutions.

Valuable time goes into advising and supporting practical aspects of conducting business, such as document drafting, preparing for and participating in negotiations, and conducting due diligence and workouts. Maintain a strong foundation with premier LexisNexis tools and guidance.

Leverage market insights from [Transactions Search powered by Intelligize](#) to drill down on negotiation positions and structure deals. (See screen at right.)

Negotiate and draft loan documents with forms and practice notes from practicing attorneys at top firms with the [Lexis Practice Advisor Finance](#) practice area page. Understand trends in loan documentation. Track regulatory changes and international lending requirements.

Base your counsel on highly relevant research by starting at the Lexis Advance Banking & Financial Services Practice Center. Access current banking news as well as cases, statutes and regulations. Follow up on the latest agency filings and actions relating to the FDIC, CFPB, OCC, FinCen, SEC and CFIUS.
