

Drive your securities and M&A practice forward with the most advanced legal technology platform from LexisNexis®

You're a savvy deal maker. Rapidly evolving worldwide regulatory requirements and unsettled market forces are no match for you. Harness up-to-date, cutting-edge technology and practice area expertise for securities and M&A law with LexisNexis.

Counsel your clients with authoritative current resources, appropriate to the task.

Deliver practical guidance and draft on-point documents with [Lexis Practice Advisor® Corporate and M&A](#) tools and content. Find guidance, model documents, annotated forms, drafting notes, alternate clauses and checklists with options to search by task, content type or jurisdiction—authored by currently practicing attorneys for key corporate and M&A transactions.

Support your conclusions with [Lexis® Securities Mosaic®](#), an intuitive platform that offers SEC EDGAR®, SEDAR® and UK securities filings as well as industry-leading federal regulatory content from more than 55 agencies, 23,000+ private placement offering documents and trusted current awareness resources.

Create masterful documents with Contract Companion® tools on [Lexis® for Microsoft® Office](#) and seamlessly integrate model documents from Lexis Practice Advisor® and Lexis Advance.

Rely on the most authoritative insights from a broad range of corporate transactional law, including LexisNexis® Matthew Bender® titles and *Law Journal Press®*, available from LexisNexis, the exclusive legal service provider of ALM® publications.

Draw upon up-to-date intelligence with [Law360®](#), Mealey's®, [MLex®](#), *The Wall Street Journal®* and current awareness publications from ALM.

The screenshot shows the Lexis® Securities Mosaic® interface. At the top, there are dropdown menus for 'SEC Filings', 'Comment Ltrs., No-Action Ltrs.', 'Private Placements', and 'International Filings'. Below these is a search bar with the text 'Apple' entered. A dropdown menu is open, showing search results for 'Apple (All)'. The results include:

Company Name	Ticker	CIK
Apple (All)		
AAPL	APPLE INC	320193
No Ticker	APPLEBEES INTERNATIONAL INC	853665
No Ticker	Apple Hospitality REIT, Inc.	1418121
APPLE	APPLE HOSPITALITY REIT, INC.	1418121

Below the search results, there is a 'Form Type' dropdown menu.

Ensure compliance in an ever-changing global business landscape.

Transform the way you research with powerful [Intelligize®](#) analysis from precision searches on securities filings and SEC materials. Intelligize complements the Securities Mosaic® service with analytics that deliver deep insights to identify market standards, benchmark peer disclosures and agreements, and track SEC comment letters and trends.

Navigate global regulatory environments with the [MLex](#) service and gain exclusive market insights, analysis and commentary on regulatory risk. Spot potential hurdles in mergers and acquisitions and get coverage of cases around the world.

Conduct expansive research into domestic statutory and regulatory resources. Save time by making the [Lexis Advance® Corporate and M&A Practice Center](#) your Lexis Advance start page.

The screenshot shows the Intelligize® interface. At the top, there is a search bar with the text 'Company Name, Ticker or CIK'. Below the search bar, there are several filters and analytics. The main section is titled 'Section Analysis & Trends' and shows a search for 'Risk Factors'. The results show 452 unique sub-sections found in 76,836 docs. The top 8 sub-sections are:

- 1 Failure to Compete Effectively
- 2 Business (Miscellaneous)
- 3 Dependence on Employees, Managers and Key Personnel
- 4 Need for Additional Capital/Difficult Raising Capital
- 5 Operational Disruptions
- 6 Subject to Law & Regulation
- 7 Threat/Costs of Intellectual Property Infringement Claims
- 8 General Economic Conditions/Down

Navigate complex transactions with confidence.
