Take on Your Biggest Insurance Challenges

NAVIGATE SWIFT-MOVING, STATE-SPECIFIC REGULATIONS WITH CONFIDENCE

Timely notifications and access to the rules help you avoid pitfalls and protect your company in the event of a regulatory investigation.

Stay ahead of compliance issues

- State Net® monitors over 80 legislative and regulatory issues related to the insurance industry every day—from healthcare reform and Medicaid to natural disaster coverage. You choose the issue and get the intelligence you need from a single service.
- LexisNexis has an easily searched massive repository of insurance-related primary legal sources—federal and state cases, codes and regulations.
- Quickly compare specific insurance rules and regulations in all 50 states in a single, convenient document—topics covered include insurance fraud reporting, underwriting and rate-making and more.

MASTER HIGH-STAKES INSURANCE LITIGATION CHALLENGES

Unmatched content, predictive analytics and exclusive data visualization tools provide you with real strategic insights you just won't find anywhere else.

Get early warning of lawsuits

- Plus, with over 180 million dockets, CourtLink helps you create strategic profiles, uncover the litigation history of a company or individual to assess risk, and uncover litigation patterns to help you **predict the behaviors of key players based on their prior performance.**

Manage outside counsel and litigation budgets

- Save time and hone your strategies with litigation data mined through LexisNexis® Litigation Profile Suite that reveals hard-to-find information on the key players in your case including judges, companies, opposing counsel, parties and expert witnesses, whether you're defending your company in an insurance bad faith action or your insured in a personal injury case.

Forecast your chances of succeeding

- Access **the largest collection of verdict and settlement documents—65% more than the closest competitor.***

STAY ON TOP OF ALL OF IT

From coverage questions, adherence to NAIC Model Laws, insurance defense and bad faith litigation to regulatory compliance, LexisNexis meets the insurance industry practitioners' needs for strategy development, current awareness, practical guidance and highly specialized information.

- **Save time with targeted resources.** No matter your area of focus—home, auto, life, health, professional liability, reinsurance—Lexis Advance is the single stop for insurance industry research. Coverage. Litigation. Compliance.
- **Get key insights on discrete areas** with niche sub-practice and state-specific publications targeting liability, cyber risks, auto, professional liability and authoritative insurance content from Appleman treatises.
- **Impress and work smarter** with all things transactional. Lexis Practice Advisor® connects you to practicing insurance attorneys who provide authoritative guidance, forms, checklists and analysis specific to your practice.
- **Reduce time and expenses.** Lexis Diligence® provides global news and sanctions, regulatory content and access to business information on over 200 million public and private companies to reduce risk.
