CRIMINAL CIRCUIT COURT PUBLICATIONS

Federal Circuit Court Criminal Handbooks

Analyze and prepare for every phase of a criminal case before the United States Courts of Appeals for the Second, Fourth, Sixth, Seventh, Ninth and Eleventh circuits. These practical resources identify key rulings on all major topics under each circuit's criminal law jurisprudence.

Written by experienced practitioners and judges, these authoritative handbooks give you the in-the-trenches guidance you need to confidently approach such topics as search and seizure, discovery, immunity, indictments, pretrial matters and more within the context of decisions issued by the U.S. Supreme Court and the Court of Appeals for each circuit.

New!

Ninth Circuit Criminal Handbook

Larry A. Burns, U.S. District Judge; Timothy A. Scott

The latest addition to the LexisNexis Circuit Criminal Handbook series, this comprehensive handbook guides you through every topic in the Ninth Circuit's criminal law jurisprudence. Covering hundreds of criminal issues, this single volume resource is broad enough to provide an excellent introduction for the newcomer to Ninth Circuit criminal practice, yet detailed enough to become a trusted resource for veteran practitioners and judges.

ALCOHOL, DRUG AND MOTOR VEHICLE VIOLATIONS

Defense of Drunk Driving Cases: Criminal—Civil

Richard E. Erwin, Dr. Leon Greenberg, Herbert M. Goldstein, Arne K. Bergh; Practice Guide by Richard J. Essen; scientific chapter revisions by Harvey M. Cohen

Take advantage of comprehensive coverage of the legal and technical issues that arise in a drunk driving case. You'll find up-to-date guidance on relevant statutes, case law and forensic science. This guide details pretrial discovery, defenses and trial tactics. It also features extensive background information on the substance of chemical test evidence including physiology, pharmacology and analytical techniques. All aspects of drunk driving defense are addressed, including:

- Per se laws
- Implied-consent legislation
- Constitutional objections
- Field sobriety testing
- Admissibility of chemical test results and other evidence

Includes a practice guide with step-by-step description of how to handle a drunk driving case from the initial client contact through appeal, including sample cross-examination, illustrative testimony and sample forms and motions, and also provides clear, nontechnical explanations of the scientific and mathematical foundations of chemical testing. In addition, it covers pathological conditions whose symptoms sometimes resemble intoxication, leading to improper arrests and false-positive test results.

**Defense of Narcotics Cases**

This indispensable publication gives you expert, up-to-date coverage of such matters as identification of drugs, search and seizure, motor vehicle and airport searches and pretrial proceedings. It also covers informers and accomplices, the trial, alternatives to standing trial, compulsory commitment of narcotics addicts, defense of driving-under-the-influence cases and forfeiture proceedings. Plus, it also provides important information on sentencing post-Booker.

It comes complete with forms and easy-to-follow charts analyzing federal drug law and provisions of representative state laws.

CRIMINAL PRACTICE

Forensic Sciences

Cyril H. Wecht, M.D., J.D., General Editor

Dozens of experts discuss the sciences relevant to criminal and civil litigation and the law in the courtroom. Includes coverage of expert testimony and scientific evidence—admissibility, scope, impeachment, hypothetical questions, privilege and more. It also covers:

- Forensic pathology, anthropology, odontology, engineering, toxicology and pharmacology
- Antemortem and postmortem alcohol determinations
- Firearm identification
- Crime scene procedures
- DNA typing
- Chemical and biological terrorism

S PRINT • 5 volumes, loose-leaf, updated twice per year, Pub. #00313, ISBN 9780820513133

Search & Seizure, 3rd Edition

John Wesley Hall

Two essential volumes written by an active trial lawyer for other active trial lawyers and judges. This resource offers expert insight on such issues as reasonable expectation of privacy, consent and probable cause, as well as current guidelines governing search and seizure in such specific circumstances as vehicles, professional offices and airports. Reflects the changing standards and applications of the law, including:

- Proliferation of knock-and-talk consent searches
- Bus and train searches
- Highway detentions to bring in drug dogs
- Video surveillance in public and semi-private places
- Searches of computers
- Litigation of motions to suppress

FEDERAL CRIMINAL LAWS

Bender's Federal Practice Forms[®]: Criminal Procedure

The criminal volumes of this treatise cover criminal prosecutions in the United States District Court. The forms are organized into chapters based on the relevant Federal Rules of Criminal Procedure. Volume 17 also deals with collateral attacks (i.e., post-appeal attacks) on criminal convictions that may be brought in United States District courts, including the rules and official forms for Section 2255 motions for relief from federal court convictions and habeas corpus review of state court convictions.

Federal Habeas Corpus Practice and Procedure, 6th Edition

Randy Hertz, James S. Liebman

This publication is the resource referred to most frequently by members of the U.S. Supreme Court and lower federal courts as well as by thousands of other attorneys who practice in habeas corpus matters. It offers detailed analysis of:

- Applicability of the Antiterrorism and Effective Death Penalty Act (AEDPA)
- Requirements states must satisfy to obtain AEDPA "opt-in" benefits
- Statutes of limitations
- Petition-filing requirements
- Appointment of counsel
- Range and types of discovery
- Standards for obtaining federal evidentiary hearings
- Exhaustion of state remedies
- Procedural default
- Standards for applying AEDPA's section 2254(d)(1)
- Successive petitions
- Obtaining a certificate of appealability
- Federal prisoner practice under section 2255
- Types of claims that have led to the granting of the writ

This edition and the accompanying supplement include extensive analysis of the latest habeas corpus case law as well as the important statutory changes effected by the Military Commissions Act of 2006, the Adam Walsh Child Protection and Safety Act of 2006, the USA PATRIOT Improvement and Reauthorization Act of 2005 and the REAL ID Act of 2005.

Modern Federal Jury Instructions—Criminal Volumes

Hon. Leonard Sand, John S. Siffert, Walter P. Loughlin, Steven A. Reiss, Hon. Jed S. Rakoff, Steven W. Allen

Judges in federal court increasingly require jury instructions to be understandable and free of legalese and arcane language. Offering instructions for all aspects of a federal criminal jury trial, this set saves you drafting time and helps you avoid giving jurors erroneous or inappropriate instructions.

- General instructions covering such areas as scienter, burden of proof, evidence, and inferences
- Substantive instructions for specific federal offenses, from aiding and abetting to criminal antitrust violations and tax fraud
- Citations to specific case authority and/or statutory authority to cut your research time
- Official pattern instructions for the First, Third, Fifth, Sixth, Seventh, Eighth, Ninth, and Eleventh Circuits
- Federal Judicial Center Pattern Criminal Jury Instructions

MILITARY CRIMINAL JUSTICE

New!
Available July 2012

Military Court Rules of the United States

Eugene Fidell, Editor-in-Chief, with contributing authors

Military Court Rules differ from service to service, resulting in a group of rules pyramids, each with the Constitution at its apex, but of differing heights and width below. For every practitioner in the military justice system, the National Institute of Military Justice has compiled a broad array of the military justice system's court rules into this single volume. The volume supplements the rules themselves with brief essays by some of the most provocative thinkers in their respective areas of expertise. The result is not merely a collection of the existing military court rules—a worthy achievement in itself—but an expansion of our knowledge and understanding of those rules.

WHITE COLLAR CRIME

Business Crime: Criminal Liability of the Business Community

Stanley S. Arkin, lead author; with Earl C. Dudley Jr., Michael Eisenstein, Jed S. Rakoff, Donald M. Re, John S. Siffert

Provides how-to guidance for: setting up compliance programs to prevent corporate liability; effectively conducting internal corporate investigations, and parallel administrative, civil, and criminal proceedings. Includes:

- Discussions of substantive criminal law
- Tactical and case-law information for grand jury representation or monitoring criminal counsel
- Forms for every area and stage of business crime practice
- The bimonthly reporter *Business Crime Commentary*

In the wake of the global financial crisis of 2008 and the revelation of massive frauds, there have been numerous case decisions that impact the liability of the business community. Discussion of this timely topic appears throughout the treatise. The latest release of *Business Crime* includes summaries of dozens of recent court decisions added to the relevant textual discussions throughout the publication.

**Prosecution and Defense of Criminal Conspiracy Cases**

Paul Marcus

In this well-organized guide to criminal conspiracy, you will find complete coverage of substantive problems such as requirements of agreement, overt act and specific intent as well as procedural problems, including venue, joint defendant questions, co-conspirators' declarations, the hearsay exception, complicity and double jeopardy. You'll also find a chapter on federal conspiracy principles, in addition to all state and federal conspiracy statutes in convenient tables and a discussion of RICO conspiracy issues.

- New Appendix Z examines the superseding indictment of former Illinois Governor Rod Blagojevich.
- Chapter 4, "Scope of the Conspiracy, Number of Agreements, RICO, Duration," has been updated to include further discussion of substantive RICO provisions.
- Chapter 5, "Co-Conspirators' Declarations: The Non-Hearsay Exception," has been updated to include case analysis on the Confrontation Clause Challenge.
- Chapter 11, "Practical Considerations in Conspiracy Trials," now includes significant discussion of defense witness immunity.

NEW JERSEY

LexisNexis® Practice Guide: New Jersey Criminal Practice and Procedure

Alan Zegas, General Editor and lead author; with other contributors

Topically organized, this publication covers the entire process of a criminal trial in New Jersey, from the initial representation of a client through sentencing and post-sentencing procedures and much more. Each chapter combines authoritative legal analysis with an expert author's practical insights, distilled from years of litigation practice. *New Jersey Criminal Practice and Procedure* includes more than 120 Practice Tips—including Strategic Points, Warnings, Timing Issues, and Exceptions (with easy to recognize icons)—that transition smoothly from legal analysis to practical application of a point of law.

Product Terms

S Service Titles

Price includes product and any supplementation, release, replacement volume, new edition and/or updates published during the indicated service period (minimum 30 days) at no additional charge except tax, shipping and handling where applicable. Renewal options include:

S/A Service Title with Automatic Renewal

If you select this option your subscription will be automatically renewed without any action on your part. Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal. Estimated prior year prices and update frequency are shown with the description of each title.

S/N Service Title with Notification

Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal. If you fail to act, your subscription will be cancelled.

NS Non-Service Titles

Price includes product only, plus any updates published within 30 days of purchase or as otherwise indicated. Subscription options include:

NS/A Non-Service Title with Automatic Renewal

If you select this option you will receive and be billed for future updates outside of the 30-day period without any action on your part. Estimated prior-year prices and update frequency are shown with the description of each title.

NS/N Non-Service Title with Notification

Notification that an update has been published, and the price of the update, will be sent to you. If you fail to act, you will not receive the update.

Cancellation: You may cancel any subscription at any time by calling Customer Support at 800.833.9844; emailing customer.support@lexisnexis.com; or returning an invoice or notification marked "CANCEL." Shipments may be returned within 30 days of receipt, at your expense, for full credit of the advertised price, less shipping and handling fees and any other discount credits.

If you cancel a Service Title between 31 and 60 days after the invoice date and you return the product at your expense, you will receive a 5/6th credit of the price for the annual subscription. No credit will be given more than 60 days after the invoice date.

If you return a Non-Service Title at your expense within 30 days of shipment, you will receive full credit for the purchase price. No credit will be given for returns more than 30 days after shipment. No credit will be given more than 60 days after the invoice date.

Subscription to a CD-ROM, *bender.com* or any other electronic service from LexisNexis® is subject to additional terms and conditions and separate contractual agreement. Call 800.223.1940 for details, ordering, and contract.

For complete terms and conditions related to your print subscription, visit www.lexisnexis.com/printcdsc.

Promotional Terms

Prices do not include sales tax, shipping or handling. Prices subject to change without notice. Sales to federal government customers may be subject to specific contract pricing.

LexisNexis eBooks are available in epub format for use on devices like the Apple® iPad® and mobi format for use on devices like the Amazon® Kindle®. To streamline your research from our larger volume sets, our core volumes are being converted to eBooks, featuring the most essential information. See the full list of eBooks at www.lexisnexis.com/ebooks.

Any promotional discounts offered apply to new orders only. Discounts may not be combined with any other offers or be applied to current subscriptions, renewals or online subscriptions. Certain products cannot be discounted. Restrictions apply.
