

LexisNexis®

Portal Components

Maximize the value of your portal with the right information.

Your portal is a gateway to the information needs of your organization. LexisNexis Portal Components are customizable plug-in modules that enhance your portal environment, making it the first and only place your employees need to go for premium content and tools from the LexisNexis® services.

Customize to meet your portal requirements:

- Select only the components and content your users need: company, financial, legal and news.
- Quickly and smoothly integrate these components with *any* portal platform.
- Adapt the look and feel to match your portal with easy-to-use tools.
- Choose to allow your users to customize components on their desktop.

Make your life easier:

- Hosted by LexisNexis—so you don't have to worry about stability or availability.
- Automatically receive updates to the product—no new software to load or reconfigure.
- Customer Support that is second to none is available whenever you need it.

You already realize the benefits of a portal...that's why you made the initial investment. Now make sure your users do, too, by providing them with the best tools to make the right decisions—LexisNexis Portal Components.

Enhance the value of your portal:

- Boost efficiency with access to relevant content from reliable sources.
- Provide the LexisNexis tools and services your organization needs.
- LexisNexis research assistance is available to every desktop in your organization, 24/7/365.

LexisNexis® Portal Components

*These components are ready to be integrated with **any** portal platform*

- **LexisNexis® News Search**—Retrieve articles containing your search terms from the vast collection of reliable news and legal sources.
- **LexisNexis® Company Search**—Find financial reports, legal information or news about a specific company.
- **LexisNexis® Legal Research**—Authoritative legal, news, public records and business information from 36,000 sources.
- **LexisNexis® Personal Search**—Turn a search you performed using one of the search components above—news, company, company financial, or legal—into a persistent query that continues to track the topic and displays the results in this component.
- **LexisNexis® Company Dossier**—Find current, comprehensive information about a specific company to help you perform competitive analysis, expand sales prospecting, and influence investment.
- **LexisNexis® Publisher**—Publish relevant, reliable content to any portal user across the portal platform.
- **LexisNexis® Citation Search**—Find a specific case or other legal documents by entering a citation. Or validate a citation with the *Shepard's* Citations Service.
- **LexisNexis® Statute Search**—Find a specific State or Federal Statute.
- **Martindale-Hubbell® Lawyer Search**—Find detailed information about an attorney or legal professional.
- **LexisNexis® Legal Web Site Directory**—Link to more than 20,000 law-related websites from the *lexisONE*® Legal Internet Guide.
- **LexisNexis® Get & Print**—Print multiple full-text documents or *Shepard's*® Citations Service reports.
- **LexisNexis® Source Links**—Quickly link to various source materials in the LexisNexis services that have been selected by your portal administrator.
- **LexisNexis® Bookmarks**—Quickly links to various features within the LexisNexis services, such as *Electronic Advance Sheets* and the *Search Advisor* feature.
- **CourtLink® Alert**—Have CourtLink alert you to newly filed court cases in Federal Civil, Federal Court of Claims, Bankruptcy, and select state courts.
- **CourtLink® Search/Strategic Profiles**—Search CourtLink sources for comprehensive information related to a specified court or use CourtLink Strategic Profiles to help you gain insight into a company's or an individual's litigation history, federal litigation trends or an attorney's experience in a particular nature of suit.
