| ORDER AND NOTICE | |

The Court Orders that all counsel shall both electronically file and serve all pleadings, motions, briefs, exhibits and other documents using the CourtLink eFiling service ("JusticeLink") in case number 1998CV545 pending before this Court.

The effective date of this order is **April 23, 2001**. After this date, the Clerk of Court will only accept counsel's pleadings that are filed electronically.

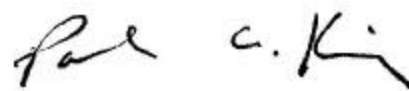

All counsel should refer to the electronic filing rules in C.R.C.P. 121 § 1-26.

The Court encourages all counsel in this case to contact Laurie Machado, CourtLink's eFile Area Director, at 720-904-3359. She will create a custom group service list for each law firm so that counsel does not incur any superfluous transaction charges when eFiling. In order to ensure the custom group service list is created, you will need to contact her directly.

The Court is also designating Laurie Machado as the single point of contact for counsel if they should have questions or concerns regarding the information contained in JusticeLink's eFiling system for case number 1998CV545. If counsel has questions or concerns regarding this case itself, they should contact this Division.

Dated and signed this 6th day of April, 2001.
