It's how you know™

Unparalleled litigation tracking

Search by name, by case, by docket number and pinpoint exactly what you need by searching the most in-depth court records. Only CourtLink allows you to search the broadest court coverage from a single source—and now you can search across multiple court systems simultaneously.

Only with CourtLink can you set up alerts to notify you daily, weekly, or monthly of new docket filings. Now you can determine *instantly* if a person of interest is already subject to prosecution by U.S. Attorneys in any other location.

Track new developments in existing cases. Stop searching a myriad of sources, and turn to CourtLink—the more comprehensive provider that automatically monitors new developments in active cases on a daily, weekly, or monthly basis. Cases remain on your personal Web page *at no cost* for retrieval, viewing, or printing.

CourtLink provides versatile strategic profiles to help you gain insight into litigation trends or an attorney's or judge's experience on a particular nature of suit. Profiles include easy-to-read graphs, data charts, and fact patterns.

“I am sure [CourtLink] would have helped me settle more cases—and settle them sooner, more favorably and less painfully. CourtLink moves what I did so primitively...into the new millennium.”

— Former U.S. Attorney Michael Tonsing
