

Information Professional Update Index to 2005 Issues

What articles helped you most this year? The LexisNexis® product news? Research examples? News on LexisNexis librarian programs? To help you keep track of the materials you found most useful, we've indexed each article by general topic and also by section. For example, all Thrifty Searcher articles are listed under **Thrifty Searcher** as well as under the topic.

NOTE: Issue numbers appear in bold, e.g., **01:04** is the January 2005 issue, page 4. Section names, e.g., SPOTLIGHT ON, appear in caps.
