

Get to the Right *lexis.com*® Sources Faster (and be confident you're selecting sources efficiently)

Now when you choose any *lexis.com* Practice Area or State Jurisdiction page—more than 110 in all—you'll see a **new, streamlined look**, with **easier-to-browse menu** screens that **display more sources** you use regularly on page one.

Take a look and discover:

Streamlined Menu Screens

See more sources at a glance—primary and secondary resources, practice references, forms, checklists and more. **A**

Even click source checkboxes to combine resources into customized group sources. **B**

More Sources!

LexisNexis® continually adds new sources to your subscription—more briefs, motions and pleadings, more expert analysis, more news resources, Elsevier full-text journals, etc. **C**

New Editorially Enhanced Resources

Get expert analysis of **emerging issues** so you can evaluate risk to you and your client. **D**

Plus *LexisNexis* now offers you new editorially handcrafted, 50-state legislative/regulatory surveys on practice area issues, expert witness details, additional expert commentary on burning legal issues and much more. **E**

Easier Access to Helpful Source Information

Link to detailed source descriptions—(i) icons—that include content information, online update frequency, etc. **F**

\$ indicators showing sources are outside your subscription plan are now located immediately to the right of the source name. No guesswork. **G**

Have questions about the new sources and enhanced menu screens for your practice area and/or state jurisdiction? Contact your *LexisNexis* account executive or your Librarian Relations Consultant for more details.

The screenshot shows the 'Look for a Source' interface for Real Estate. The interface is organized into several sections, each with a title and a list of sources. Each source has a checkbox, an information icon (i), and a price indicator (\$). Callouts A through G highlight specific features:

- A**: Checkboxes for selecting sources.
- B**: Checkboxes for combining sources.
- C**: Source names and descriptions.
- D**: Emerging Issues section.
- E**: Emerging Issues section.
- F**: Source descriptions.
- G**: Price indicators (\$).

Key:

- Select a checkbox next to a source to combine it with other sources for searching.
- This source either can't be combined with other sources, or can't be combined with the sources you already have checked.
- i* Click to see information about this source.
- \$ Click this icon to see the price for searching the associated source.

* Category to use with the *LexisNexis* Research Linking feature.
