## The LexisNexis® Total Research System... Your Rx for Staying on Top of HealthCare Law

Whether you're drafting HIPAA compliance policies, negotiating affiliations or joint ventures, reviewing physician contracts—you name it—you need more than cases and codes to develop winning legal strategies for your health-care clients.

The LexisNexis Total Research System puts a vast array of health-care materials at your fingertips. This guide helps you discover how you can use the LexisNexis Total Research System to:

- **Explore America's most extensive collection of public records** to locate people, check civil and criminal records, examine assets and liens, check bankruptcy filings, verify medical licenses and more.
- **Consult authoritative analytical materials**—the American Health Lawyers Association *Journal of Health Law*, exclusive Matthew Bender® treatises, including *Medical Records Privacy Under HIPAA* and CCH® manuals and guides, including the *CMS Program Manuals*—for expert guidance on every aspect of health-care law.
- **Monitor the most current health-care industry news and legal developments** with access to gold-standard news sources, including *BNA® Health Care Daily*, America HealthLine, FDC Reports, LRP newsletters, Tax Analysts newsletters, and NewsRx.
- **Research all administrative materials and regulations**, including materials from Centers for Medicaid and Medicare, that affect your practice—everything from Medicare and Medicaid to OSHA and Social Security, from HIPAA guidelines on medical records privacy to the tax ramifications of health-care law!

Then validate the authority you find with the *Shepard's®* Citations Service.

- **Get up-to-the-minute, health-care litigation intelligence** with exclusive *Mealey's Litigation Reports*—complete with links to full-text court opinions, discovery material, pleadings, briefs and other hard-to-find documents.

PLUS...use these exclusive features of the LexisNexis Total Research System to your best advantage:

- Amplify your understanding of underlying medical issues with more than 450 courtroom-ready anatomical illustrations.
- Access all pending litigation involving health-care providers, insurance companies, parties in M&A deals and others via LexisNexis® CourtLink®.
- Turn to LexisNexis Report Products that let you research a comprehensive range of sources with one search—and that compile your answer set into an easy-to-interpret report ready for printing, downloading or manipulating into other work product.
- Handle company transactions with LexisNexis® Document Solutions.
- Identify and retain outside or pro hac vice counsel using Martindale-Hubbell® listings.
- Get the latest news affecting your current case matters—delivered directly to your desktop—with the ECLIPSE™ Electronic Clipping Service.
- Find additional relevant cases and review vital points of the law in the court's own language with LexisNexis® Headnotes.

## Other Resources

### **LexisNexis® Report Products: One Search + Many Sources = One Integrated Report**

Save valuable research time and budget. Each LexisNexis Report Product searches multiple LexisNexis services' resources simultaneously and then automatically compiles one, easy-to-review report. Take a look at the available LexisNexis report products and their applications:

#### **LexisNexis® Company Analyzer**

Designed for due diligence, one LexisNexis Company Analyzer search covers nearly 40 vital legal, news, business, public records and intellectual property sources. Set the document-retrieval limit up to 250 documents per source for thorough coverage. Check more than 10 million public and private companies, including some international companies.

#### **LexisNexis® Company Dossier**

Currentness is key for LexisNexis Company Dossier. Covering more than 20 million public and private companies, your LexisNexis Company Dossier reports cover current finances, executives and operations. You can also compare up to five companies' current finances side by side, and compile lists of companies with criteria you select, including sales, revenue, city, number of employees, etc.

#### **LexisNexis® Industry Dossier**

While LexisNexis Company Dossier covers companies, LexisNexis Industry Dossier covers more than 1,000 U.S. industries. Each report offers a list of top industry performers along with current industry economic and sales reports, recent mergers and acquisitions and pending legislation that could affect the industry.

#### **LexisNexis® SmartLinx™ Reports**

Based on a check of more than 1.9 billion public records, LexisNexis SmartLinx reports show you the connections among people, business and locations. It's the report tool to use when you're trying to uncover a chain of ownership, a pattern of movement or a personal/business history based on public records like assets ownership, bankruptcy filings, verdicts and settlements, judgments/liens, white pages records, etc.

#### **LexisNexis® CourtLink® Strategic Profiles**

Strategic Profiles are based on the vast CourtLink database of federal civil court docket records covering 10 – 20 years of cases. Litigators can argue more effectively by studying litigants' case histories, opposing counsel arguments and pleadings a judge found compelling. Law firms and other businesses can pinpoint business opportunities and risks, bolster hiring practices and detect and prevent fraud.
