

At A Glance

Created by experienced Matthew Bender® editors, the *lexis.com*® Energy Page provides a customized, practice-oriented approach to energy research.

The Practice Area Pages provide an intuitive, easy-to-use entry point to *lexis.com* designed especially for area of law practitioners. You'll find all the resources you use most often, in one location, with intuitive search forms that let you quickly and easily retrieve statutes, regulations, releases, cases and other relevant documents.

The Energy Page gives you quick access to cases, administrative decisions and orders, statutes, legislative materials, regulations, analytical treatises, news, and much more.

Go to a search form designed for a specific type of material. Just fill in the blanks!

Go directly to key sources for frequently performed tasks.

Go to a search form designed especially for *Shepardizing*™.

The screenshot shows the Lexis.com Energy Practice Page. At the top, there is a navigation bar with links for Home, Research System, My Products, LEXIS-NEXIS by Credit Card, Daily Opinion Service, Practice Pages, Bookstore, Career Center, CLE, and Products & Services. Below the navigation bar is a sidebar menu titled "Energy" with sub-sections: Main, Search (with sub-items: Cases, Statutes, Bill Tracking and Legislative Histories, Administrative Decisions & Orders, Regulations; Regulation Tracking, Treatises & Analytical Materials, Law Reviews & Journals, News & Other Topical Sources), Factual Investigation, Find Experts, Martindale-Hubbell, Shepard's®, Electronic Clipping Service (ECLIPSE™), Today's Research History, Energy Bookstore, Feedback, and Page Help. The main content area features a welcome message, a "News and Developments" section with links for Today's Energy News, Recent Federal Energy & Utility Cases, Recent State Energy & Utility Cases, Recent FERC Decisions, Recent FERC Rules & Notices, Recently Enacted & Pending Federal Energy Legislation, Recently Enacted & Pending State Energy Legislation, Recently Enacted & Pending Federal Energy Regulations, and Recently Enacted & Pending State Energy Regulations. A copyright notice is at the bottom of the main content area.

Review up-to-the-minute energy news...

...recent cases

...recent FERC decisions

...or new or pending legislation that may affect your clients.

Take advantage of expert analysis from a highly-regarded author and Matthew Bender®. Enter a search or use the table of contents.
