Shepard's® Citation Service

Validate your research with Shepard's Citation Service

Shepard's editors read and analyze every decision as it becomes available to determine the precedential impact of each new decision on the legal authority it cites. The Shepard's Table of Authorities helps you uncover hidden weaknesses in opposing counsel's arguments by letting you analyze the authorities their citing case used as the basis for its opinion. Shepard's is the legal profession's premiere citator. Why settle for less?
