

Time Matters from LexisNexis Named Best Docket Management Software in *New York Law Journal* Reader Rankings

Time Matters Also Ranked Among the Best in Three Other Categories

NEW YORK, September 21, 2011 – LexisNexis (www.lexisnexis.com), a leading global provider of content-enabled workflow solutions, today announced that LexisNexis® Time Matters® was named the Best Docket Management Software in the recently released *New York Law Journal* Reader Rankings. In addition to receiving that honor, Time Matters was also named among the top three in the Best Case Management Software, Best Docketing & Calendaring Software and Best Time & Billing Software categories.

“We’re thrilled to see Time Matters recognized by our users and customers in New York state,” said Michael Lipps, vice president and managing director, Legal Business Software Solutions for LexisNexis. “Time Matters has a strong legacy as an installed application, and through the recent launch of Time Matters® Mobility service, we’ve enabled users to access the program even while they’re on the go, helping them to convert downtime into billable hours, respond to client inquiries faster and improve productivity and efficiency.”

Time Matters is a flexible practice management application that allows law firms and other organizations to manage and collaborate on legal matters and to streamline their operations to increase profitability. Through the Time Matters Mobility service, the application can be accessed using Internet-connected smartphones and other mobile or tablet devices, allowing legal professionals to be productive even when they are not in the office.

LexisNexis also received top honors in the Tables of Authority category, and LexisNexis® CaseMap® – a tool for effectively capturing, organizing and evaluating the relevant facts, individuals and research in a case – was named among the top three in the Best Case Management Software category.

The 2011 *New York Law Journal* Reader Rankings surveyed more than 4,200 lawyers and legal professionals in categories across technology, litigation support, consulting and outsourcing, recruiting and staffing, research, accounting, financial services, mediation, and education. The winners and top three finishers in all 51 categories were announced in a special supplement in the *New York Law Journal* on September 12, 2011.
