

In the office or on the go! With the **PCLaw® Mobility service** you can keep your firm's matters and finances organized and in control—*anytime, anywhere*. Available with PCLaw v11, the PCLaw Mobility service allows your firm to:

- Capture billable time and expenses as they occur—**on the go**
- Enjoy simple, secure access to critical case/matter information, client contacts and your calendar—anytime, anywhere

PCLaw software, the all-in-one solution for your firm's billing, accounting and matter management needs, takes the headaches out of running the business of law. The PCLaw Mobility service takes that power one step further, giving timekeepers access to key client, matter and calendar information while on the go and freeing up office staff for other tasks. With PCLaw Mobility, they can:

- Convert downtime to additional billable hours
- Respond to clients faster
- Manage their busy calendars

Unlike other solutions, with PCLaw Mobility you simply access the Web-based service through your Internet-enabled smartphone or mobile device with no cabling or syncing required.

So get ready! Get set! Go Mobile!

Use of the PCLaw Mobility service requires PCLaw v11 software and a current PCLaw Annual Maintenance Plan subscription. The PCLaw Annual Maintenance Plan includes all major and minor PCLaw software upgrades and service releases/service packs and hotfixes during the plan period, live-answer technical support[†], unlimited Anytime Training classes and Just-In-Time training videos on LexisNexis® University plus 24x7x365 use of the PCLaw Support Center, featuring product documentation and self-help resources.
